Daniel J. Malone PT, PhD, CCS
University of Colorado Anschutz Medical Campus
Physical Therapy Program – Residential Campus
Mailstop C244, 13121 East 17th Avenue, Aurora, CO 80045
(303) 724-9321 | daniel.malone@cuanschutz.edu

Education:

Temple University, Philadelphia, PA	PhD in Physiology	2001 - 2008
Temple University, Philadelphia, PA	Master in Physical Therapy	1989 - 1992
University of Pittsburgh, Pittsburgh, PA	BS in Exercise Science	1984 - 1988

Licensure Information:
Colorado #PTL.0011421

Certifications:
Cardiovascular and Pulmonary Clinical Specialist, American Board of Physical Therapy Specialists, 2018, 2008, 1998

Employment and Positions Held:

2024	Director, Hybrid Pathway University of Colorado Physical Therapy Program, Hybrid Campus, Colorado Springs, CO
2023 - Present	Associate Professor, Associate Director University of Colorado Physical Therapy Program
2015 - Present	Per Diem Physical Therapists, University of Colorado Hospital, Anschutz Medical Campus, Aurora, CO
2011 - Present	Associate Professor, Physical Therapy Program, University of Colorado Physical Therapy Program, Residential Campus, Aurora, CO
1996 - Present	Adjunct Faculty Member, Arcadia University, Department Physical Therapy, Glenside, PA
2008 - 2012	Adjunct Faculty Member, Drexel University, Department Physical Therapy and Rehabilitation Sciences, Philadelphia, PA
2008 - 2011	Cardiovascular & Pulmonary Team Leader, Division of Physical & Occupational Therapy, Good Shepherd Penn Partners Rehabilitation at the Hospital of the University of Pennsylvania
2008 - 2011	Adjunct Faculty Coordinator/ Instructor, Cardiopulmonary Physical Therapy I & II, Drexel University, Department of Rehabilitation Sciences, DPT Program
1996 - 2011	Adjunct Faculty Lecturer/ Laboratory instructor, Cardiovascular & Pulmonary Units; Diagnostic Imaging, Arcadia University/ Beaver College,

DPT and Transitional DPT Programs

1999 - 2008	Cardiovascular and Pulmonary Team Leader, Department Physical Medicine and Rehabilitation, University of Pennsylvania Health System, Hospital of the University of Pennsylvania and Presbyterian Medical Center
2001 - 2002	Adjunct Faculty, Coordinator/ Instructor, Cardiopulmonary I, MCP Hahnemann, Department of Rehabilitation Sciences, DPT Program
1999 - 2001	Adjunct Faculty, Coordinator/ Instructor, Cardiopulmonary Pathophysiology, Neumann College, Division of Nursing and Health Sciences, Master of Science in Physical Therapy Program
1999 - 2001	Adjunct Faculty Member, Neumann College, Aston, PA
1997 - 2001	Adjunct Faculty Member, Allegheny University of the Health Sciences, Hahnemann University, Philadelphia, PA
1996 - 1999	Senior III Physical Therapist/ Lead Therapist, Department of Physical and Occupational Therapy, Presbyterian Medical Center, University Of Pennsylvania Health System
1998	Adjunct Faculty, Lecturer, Exercise Physiology; Exercise Responses in Heart Failure, Neumann College, Division of Nursing and Health Sciences Master of Science in Physical Therapy Program
1996 - 1998	Guest Lecturer, Acute Care Elective, Physical Therapy Intervention for the Heart and Lung Transplant Populations. Allegheny University of the Health Sciences, Master of Science in Physical Therapy Program
1996	Instructor, Cardiopulmonary and Vascular Unit, University of Medicine and Dentistry of New Jersey, School of Health-Related Professions Developmental and Rehabilitative Sciences, Master of Physical Therapy Program
1995 - 1998	Adjunct Faculty Member, University of Medicine and Dentistry of New Jersey, School of Heath Related Professions, Stratford, NJ
1995 - 1996	Senior II Physical Therapist Presbyterian Medical Center, University Of Pennsylvania Health System
1995 - 1996	Adjunct Faculty, Coordinator/ Instructor Applied Physiology, Cardiopulmonary Module, University of Medicine and Dentistry of New Jersey, School of Health-Related Professions, Developmental and Rehabilitative Sciences, Master of Physical Therapy Program
1994 - 1995	Senior Physical Therapist, Lung Transplant Program Presbyterian Medical Center. University Of Pennsylvania Health System
1992 - 1994	Staff Physical Therapist, Acute Care Service, University of Pennsylvania Health System, University of Pennsylvania Medical Center

Scholarly Agenda
The overall goal of my scholarship is to advance education, clinical practice and research related to the physical therapist's management of patients with complex medical conditions ranging from the intensive care unit to post-acute setting to home.

Funded/In Review Grant Activity:
Stevens-Lapsley JE (PI). Improving physical rehabilitation for rural Veterans with complex care needs. VA Office of Rural Health, Veterans Rural Health Resource Center. 10/1/20-9/30/21 ($168,153). The goal of this project is to increase clinician access to education and training in evidence-based, high intensity physical rehabilitation to improve the quality of care provided to rural Veterans at risk for functional decline.

Stevens-Lapsley JE (PI). VA Geriatric Scholars Rehabilitation Training Program. 10/1/20-9/30/21 ($106,924). The goal of this program is to train rehabilitation clinicians on how to implement high intensity rehabilitation interventions for Veterans

Completed Grant Activity:
Stevens-Lapsley JE (PI). Shifting Rehabilitation Paradigms in Skilled Nursing Facilities. VA RR&D I21 RX00219; 10/1/16-9/30/18: The major goal of this project is to evaluate whether an interdisciplinary

rehabilitation program that integrates principles of physiologic tissue overload in skill nursing facilities is more effective than the standard of care. Equated to 15% FTE

Moss M (PI), Schenkman M, Quan D, Nordon-Craft A. The diagnosis and treatment of critical illness polyneuromyopathy in patients with acute respiratory failure. Submitted to National Institute Nursing Research. R01 NR011051 Funded ($2.279 million direct over five years). Project start 6/1/09; Project end 8/31/14. Role: co-Investigator- Ensure fidelity of the physical therapist intervention, oversight of physical therapy intervention, outcomes testing and database management. Equated to 25% FTE

Membership in Scientific/Professional Organizations:	Dates
American Physical Therapy Association (APTA)	1989-present
Pennsylvania Physical Therapy Association	1989-2011
Colorado Physical Therapy Association	2011-present
Cardiovascular & Pulmonary (CVP) Section, APTA	1993-present
• Elected member of Nominating Committee of CVP Section	1998-2000
• Standard Setting Committee, Cardiovascular & Pulmonary Physical Therapy. American Board of Physical Therapy Specialties	1999, 2000, 2008
• Specialization Academy of Content Experts, Cardiovascular & Pulmonary, American Board of Physical Therapy Specialties	1999-2001
• Appointed Program Chair of CVP Section	2000-2011
• Elected President of CVP Section (re-elected)	2012-present (2015)
Geriatric Section, APTA.	1998-2000
Acute Care Section, APTA	2006-present
American Thoracic Society (ATS).	2004-2008; 2014-present
Education Section, APTA	2018-present
American Association of Cardiovascular & Pulmonary	1995 – 2000

Consultative and Advisory Positions Held:
Not applicable

Community Service:	Dates
9 News Health Fair	2018-2020
Speaker, Colorado Lung Health Connection, Moving Mountains	2017
Speaker, UCH Pulmonary Rehab Support Group	2016
Panelist, Colorado Rural Health Scholars Program	2015-2018

Services to the University/College/School on Committees/Councils/Commissions:
University of Colorado School of Medicine
Department of Physical Medicine & Rehabilitation

Member: Faculty Senate	2012-2014

Physical Therapy Program:

CAPTE Accreditation Planning Task Force	2017-present
Basic Physical Therapy Examination Task Force	2016-present
Exercise Prescription Task Force	2013-present
Chair: Curriculum Committee	2014-present
Chair: Absence Committee	2013-present
Member: Curriculum Committee	2011-present

Honors and Awards:

Linda Crane Lectureship	2025
Merit Award, Cardiovascular and Pulmonary Section of APTA	2010
Temple University, Department of Physiology Fellowship	2005
Temple University, University Fellowship	2004
Temple University, University Fellowship	2003

<u>Continuing Education Attended:</u>

2024 Combined Sections Meeting, American Physical Therapy Association, Boston MA.
Education Sessions Attended,
- Cardiovascular & Pulmonary Platform Session 1 and Session 2
- Linda Crane Lecture: Precision Cardiovascular Physical Therapy
- To Co-Treat or Not to Co-Treat, That Is the Question: An Oxford Debate
- Ready or Not, Here We Come: Determining the Right Time for the Right ICU Patient
- Genetics in DPT Education: What's New, What to Teach, How Does It Fit the Curriculum?
- Academy of CVP Membership Meeting

2023 Combined Sections Meeting, American Physical Therapy Association, San Antonio, TX.
Education Sessions Attended,
- Cardiovascular & Pulmonary Platform Session 1 and Session 2
- Cardiovascular and Pulmonary Research: A Year in Review
- Responders or Non-Responders: From Physiology to Clinical Practice
- Linda Crane Lecture: Advocacy and Service: Opening Your Heart to Make a Vital Impact
- Chronic Pain and Hypertension: The Relationship and Evidence-Based Management
- Should Simulation Hours Count Toward Acute Care Clinical Education? An Oxford Debate
- Acute Care Core Outcome Measure Set: Putting the Recommendations Into Practice
- Academy of CVP Membership Meeting

2022 CMDA's 27th Annual Conference. Coming Together to Create Success in Post-acute Long-Term Care. Denver, CO.
Education Sessions Attended,
- Coming Together for Successful Wound Care
- Pearls for Anticoagulation Optimization in Older Adults
- Looking Back to Look Forward in PALTC: COVID-19
- Best Pearls from the Day

2022 Combined Sections Meeting, American Physical Therapy Association, San Antonio, TX.
Education Sessions Attended,
- Cardiovascular & Pulmonary Platform Session 1 and Session 2
- Cardiovascular and Pulmonary Research: A Year in Review
- Linda Crane Lecture - Heart Strings: Stories of Love, Appreciation and Cycles
- Adapting: Curriculum Design for a New Generation of Adult Learners

2020 Combined Sections Meeting (poster), American Physical Therapy Association, Denver, CO.
Education Sessions Attended,
- Frail or Fail? Skeletal Muscle in Lung Transplant and Critical Illness
- Linda Crane Memorial Lecture: Following Your Heart (and Lungs) as a Professional Development Plan
- Cardiovascular and Pulmonary Research: A Year in Review
- Exercise Testing by Physical Therapists: Moving Forward One Step at a Time

2019 Combined Sections Meeting, American Physical Therapy Association, Washington DC.
Education Sessions Attended,
- Cardiovascular & Pulmonary Platform Session 1
- Functional Measures in the ICU: How to Have Your Cake and Eat It Too
- ICU Rehabilitation: Bridging the Gap from Immobility to Early Mobility
- Cardiovascular and Pulmonary Research: A Year in Review
- Linda Crane Memorial Lecture: Health Competencies: The C.R.A.N.E.
- Anne Shumway-Cook Lecture: Parkinson's disease and other neurological disorders, a Journey through time.

2018 Combined Sections Meeting, American Physical Therapy Association, New Orleans, LA.
Education Sessions Attended,
- Cardiovascular & Pulmonary Platform Session 1 and Session 2
- Let's Be Objective: Using Objective Measures and Vital Signs to Guide the Acute Care PT
- Cardiovascular and Pulmonary Research: A Year in Review
- Linda Crane Lecture: "Synthesis: Causal Models, Causal Knowledge"

2017 Combined Sections Meeting, American Physical Therapy Association, San Antonio, TX.
