WHO WE ARE

At TeamHealth, our purpose is to perfect our clinicians' ability to practice medicine, every day, in everything we do. We are a physician-led, patient-focused company, founded by doctors for doctors.

WHAT YOU CAN DO

Join a team of inspiring and dedicated medical professionals who share the same goal of delivering compassionate, effective, efficient, and safe care. From new clinicians to seasoned medical doctors, we are a team that is dedicated to quality patient care and most importantly, each other. This is a rewarding opportunity to work and learn from world-class physicians, build long-lasting relationships amongst team members, and be a part of the mission to provide quality care.
