Good morning,

Thank you so much to those of you who participated in GIM Grand Rounds this academic year, and to those of you who presented.

Here are a few important updates:

- In 2020-2021 season we will continue **meeting on the first three Tuesdays at 8 am**, from September 1st 2020 to June 15th 2021
- I'll be sending **individual invites** for the meetings (about a week ahead) so please block your calendar on Tuesday mornings
- The location this year is still unclear, given continuing changes to the safety protocols, so please bear with us and look at the calendar invites I'll be sending; we will most likely continue with Zoom meetings until Spring of 2021
- When joining our meeting online **please use your full name**; we've had some suspicious activity and this will help us prevent any issues
- You are receiving this message because your email address is on our **GIM Grand Rounds communication list**; everyone in the GIM Division will be added to the list automatically so if you're **not** in our Division [please fill in this short sign up form to remain on the list](#)

We are very close to finalizing the topics and speakers and I will be sending a separate **announcement with the lineup**, so you can plan accordingly.

Lastly, most of our previous **Grand Rounds are being listed on our website** [so take a look if you'd like to review previous sessions.](#)

Have a great and safe summer, and we will see you in September!

Agata Hardin, MA
