CLASS DESCRIPTIONS

AQUA INTERVAL - Interval water aerobics offers the benefits of anaerobic and aerobic intervals for a fat-burning total body workout in a non-impact setting.

BODYCOMBAT™ - This high-energy martial-arts inspired workout is totally non-contact and there are no complex moves to master. Your instructor will challenge you to up the intensity and motivate you to make the most of every round. You'll release stress, have a blast and feel like a champ.

BODYBALANCE™ - Is the yoga-based class that will improve your mind, your body and your life. An inspired soundtrack plays as you bend and stretch through a series of simple yoga moves and embrace elements of Tai Chi and Pilates. Instructors will always provide options for those just getting started. You'll strengthen your entire body and leave the class feeling calm and centered. Happy.

BODYPUMP™ - The original barbell class, will sculpt, tone and strengthen your entire body, fast! Focusing on low weight loads and high repetition movements, you'll gain strength and quickly produce muscular endurance.

BODYPUMP™ Express - This 45min take on the original barbell class, will sculpt, tone and strengthen your body with high reps of lighter weight.

CARDIO HIIT - Simple, athletic movements performed in short, explosive intervals for an efficient, effective cardio workout. Timed anaerobic work (based on your heart rate monitor or rate of perceived exertion) is followed by aerobic recovery to stimulate improved cardiovascular performance, while burning fat and calories.

CARDIO BARRE - Our high energy, low-impact class combines large range, whole body movements and intense isolation exercises to work the entire body while developing greater physical awareness and posture. This energizing class will strengthen the muscles of your core, arms, thighs, and seat and give your heart a pumping cardio workout. A final stretch at the finish encourages muscle length, balance, and recovery.

CYCLING - Our cycling classes provide a low-impact, customized intensity workout that will help you push your fitness to a new level.

ESSETRICS - Is a dynamic workout that lengthens and strengthens every muscle in the body, resulting in greater joint mobility and lean, long muscles. This completely original workout draws on tai chi, ballet, and physiotherapy, combined to create health and balance, long and lean muscles, and create a pain free body.

FLOW YOGA - This an intense, detoxifying, empowering and completely engaging practice. It is a challenging strength and stamina focused class that provides a powerful workout. This class will help you attain a stronger, more toned yoga body and a calmer, more focused mind.

GLUTE/CORE FUSION - Join us for a short form strength class designed to sculpt your glutes and core. This class will develop all aspects of your glutes and help you build a stronger more functional core in either a 30min or 45min express format.

H2O CIRCUIT - Water aerobics offers a total body workout in a non- impact setting. We combine cardiovascular, strength and flexibility exercises to provide you with a complete workout. Whether you are rehabilitating from an injury or simply looking for something new to try, come experience H2O!

HERO PILATES- This 45-minute class combines the high-intensity of HERO CIRCUIT with the foundational movements of Mat Pilates. The HERBOARD™ mimics a Pilates reformer machine and helps you train your way to a rock solid core.

KETTLEBELL STRENGTH- Get strong with this 45-minute workout. You'll have fun learning to use Kettlebells to build functional strength with dynamic movements, then hop on the HERBOARD™ to sculpt your way to a stronger core.

MAT PILATES - Think "long lean body." This class focuses on strength and flexibility of the entire core. Based on the traditional studies of Joseph Pilates, these exercises combine core activities and breathing/relaxation. All levels welcome.

METABOLIC BURN - A total body workout that combines classic strength building with cardio to create the ultimate metabolic conditioning session.

RESTORATIVE YOGA -Unwind from your day with this gentle style of yoga focused on relaxation and recovery. You'll take your time sinking into each restful pose. Your instructor will help you utilize yoga props (blankets, pillows, bolsters, and blocks) to help make the poses as comfortable as possible so you can rest, destress, and restore.

RPM™ - A group indoor cycling workout where you control the intensity. Sprint, climb, and race your way to cardio peak then ease back down, keeping pace with the pack to lift your personal performance.

SLOW FLOW YOGA - For those who are beginners to flow yoga or who wish to practice at a slower pace, this class is a perfect way to end the day - nourishing body and mind.

SUNRISE YOGA - Join us outdoors on the Green Roof for a gentle flow yoga class to greet the day. Smooth movements help participants achieve better posture, flexibility, balance and strength while meditation helps to improve focus. All levels welcome. Class will be held in Studio 2 in inclement weather.

STRENGTH DEVELOPMENT- Aimed at those wanting to get stronger, Les Mills Strength Development is a 45-minute workout focused on heavier weights and classic strength-training protocols. The progressive design of this class works to push your limits and increase your strength. Whether you're new to lifting or a seasoned pro, this class will build your strength and boost your confidence with weight training.

TOTAL STRENGTH - This total body class focuses on achieving muscular strength through simply choreographed exercises targeting all muscle groups.

ZUMBA™ - Combines high energy, captivating music with Latin inspired moves that will leave you asking for more. Zumba™ is a "feel good" workout geared toward all levels. We bet you'll find the dancer within. All levels welcome.
