

Nutrition Obesity Research Center
UNIVERSITY OF COLORADO ANSCHUTZ MEDICAL CAMPUS

WEEKLY UPDATE

November 6th - November 10th 2023

Updates Include:

- Upcoming Events
- Grant RFA's
- NIH News
- Position Openings
- CU AMC Dept News
- Other

Everything you need to know, in one place.

The weekly update provides the Colorado NORC's members with pertinent information gathered throughout the week rather than sending multiple emails and flooding your inbox. Please provide any feedback you have on this format [HERE](#).

Upcoming Events

Colorado NORC/AHWC Employee Appreciation Event - SAVE THE DATE!

12/8/2023, 4pm-7pm

Details are still being coordinated for this year's annual Employee Appreciation Event, but we are planning an offsite event at Stanley Beer Hall!

Call for Applications for the 2024 HR-pQCT Seed Grant Program

2/2/2024 - Applications Due

These seed grants are intended to increase utilization of the new High-Resolution peripheral Quantitative Computed Tomography (HR-pQCT) device. The instrument can only be used for HR-pQCT scanning/analysis. More information about the device, including pricing, can be found on the [CCTSI website](#).

CU AMC Department News

CTSA grant numbers: NIHMS1817526

On Behalf of Ronald Sokol, MD, FAASLD

New CTSA grant numbers to cite and reference in your Ms. for grant support:

From 2018-2023 use UL1 TR002535 for any work done or analyzed or published during that period.

From 2023-2030 use UL1 TR004399.

WellIDOM @ The Table Program

On Behalf of Bryan Haugen

WellIDOM
Wellness in the Department of Medicine

This program helps with connection, camaraderie and wellness within our Division family. Take a look at the section on the [DOM website](#) and let [Becky Aragon](#) know if you would like to lead a group, which can be with-

in different groups in the Division (faculty, staff, trainees, etc.) or across groups.
