

CU GME Health Plan

Breast Pump Benefit

When prescribed by attending physician and obtained from designated in-network provider, CU GME Health Plan will provide at no cost share to the plan participant:

(a) **Purchase of 1 (one) selected model breast pump per birth**

Designated In-Network Provider: Edgepark Medical Supplies

1-800-321-0591

www.edgepark.com/breastpumps

Edgepark representative will ask you for information from your CU GME Health Plan Insurance ID Card and contact information (name, phone number and fax number, if available) for your treating physician to assist with completion of your order.

(b) **Rental of hospital-grade breast pump** when pre-certified as medically necessary.

To pre-certify hospital-grade breast pump: CU Health Plan Medical Management

303-493-7507

In-Network Provider of hospital grade pump: UCH Atrium Pharmacy

720-848-4083

Anschutz Inpatient Pavilion

1st Floor

No Out of Network benefit for breast pumps.
