

University of Colorado
Anschutz Medical Campus
Graduate Medical Education

March 2021

Dear Interns, Residents, & Fellows:

Welcome to the University of Colorado School of Medicine! We are delighted that you have chosen to pursue your graduate medical education at our institution.

Before you begin training, you need to:

- **Complete all paperwork by April 25, 2021.** Specific forms & information will be delivered to you through the MedHub On-boarding site, others will be sent to you by your Program Coordinator. This paperwork is needed in order for you to be paid, receive health insurance, malpractice insurance, etc.
- **Attend ALL mandatory orientations. All new Interns, Residents, & Fellows* are required to attend all applicable Hospital, Program, & GME institutional orientations in addition to completing online modules before arriving, as determined by GME.**

**Fellow orientation does not include GME institutional orientation.*

GME Institutional Orientation for <u>Interns</u> Tuesday, June 15, 2021 - 7:00 am Virtual Format	GME Institutional Orientation for New <u>Residents</u> Thursday, July 1, 2021 - 7:00 am Virtual Format
---	---

Your Program Coordinator will provide information regarding your specific program's orientation as well as hospital orientations. Badging activities will require that you show your driver license, social security card, and/or passport so please make sure you have easy access to them.

Applicable policies & procedures are available on our website ([cugme-policies](#)). They contain very important information regarding professional liability coverage, rights as a resident, & other administrative details. *Please read them.*

Again, it is a great pleasure to welcome you to our system & we wish you the best in all your endeavors.

Best Wishes,

Carol M. Rumack, MD
Associate Dean for GME
