

These are instructions to schedule your VA fingerprint appointment.
DO NOT SCHEDULE YOUR **BADGE** APPOINTMENT UNTIL YOU HAVE SPOKEN TO OR RECEIVED AN EMAIL FROM VA ACADEMIC AFFILIATIONS. There are many steps that need to be completed 'behind the scenes' that **MUST** be in place before a badge appointment.
IF YOU SCHEDULE A BADGE APPOINTMENT WITHOUT HEARING FROM VA ACADEMIC AFFILIATIONS, YOU MAY BE TURNED AWAY AS NOT ALL NECESSARY ITEMS HAVE BEEN COMPLETED.

The screenshot shows a web browser window with the URL <https://www.va-piv.com/>. The browser's address bar and tabs are visible at the top. The website header features the United States Department of Veterans Affairs logo and a "Skip To Main Content" link. The main content area is titled "VA Appointment Scheduling for PIV Cards :: Applicant Account - Terms and Conditions for Usage". Below this title, there is a section with the following text:

You are accessing a web application that exists outside of the Department of Veterans Affairs (DVA) Network.

You will be asked to provide limited personal information in order to schedule an appointment to receive a **Homeland Security Presidential Directive 12 (HSPD-12) Personal Identity Verification (PIV) Card**.

Authority: In August of 2004 the President of the United States issued HSPD-12 mandating a common personal identification verification standard for federal employees and federal contractors. This directive requires that all federal agencies use a reliable, commonly accepted form of government identification that will enhance security, increase government efficiency, reduce identity fraud, and protect personal privacy. PIV cards will serve as the new VA identity verification badges and serve as the common government identity verification method for all VA administrations and VA offices.

Purpose/ Routine Uses: The federal contractor maintaining operation of this web site, on behalf of DVA, collects information for the purpose of scheduling an appointment for activities related to the DVA HSPD-12 PIV Cards (Issuance, Reissuance, Renewals, and Fingerprinting).

Disclosure: The federal contractor maintaining operation of this web site may not use the information collected for any purpose beyond its intended use. Furnishing this information is voluntary; however failure to provide this information may prevent the individual from receiving the benefit sought.

At the bottom of the main content area, there is a button labeled "Accept the Terms and Conditions" which is highlighted with a red rectangular box. Below the button, there is a footer line that reads: "VA PIV Card Appointment Reservation Application v2.1.4.0 (Build: PROD) running on EC2AMAZ-GSTJQVT".
