Please use this code to park for Resident Orientation: **1D619214**. Please, park in any of the red-starred locations listed on the map below. *This code is valid for July 1st only.* Your program will have more information about setting up permanent parking.

PLEASE NOTE: The Parking code is only accepted at the parking kiosks, not the parking app. As such, allow yourself enough time as lines will form at the kiosks. We encourage you to take advantage of all available parking lots to help spread out. Julesburg is the closest and busiest for this event. Georgetown and Ignacio lots are also close and may have shorter lines.

This parking code is accepted at visitor lots only; some lots are 4-hour max only. It cannot be used at the Henderson garage (badge/permit only parking) or Barbara Davis lot.

Need help finding your way? You can get directions anywhere on campus with the CU Anschutz Campus Interactive Map.

8-hour lots	4-hour lots
Ignacio	Vail
Georgetown	Cheyanne wells
Julesburg	Kiowa
	Mote vista
	Snowmass
