The GME Quality and Safety Incentive Program metric for Children's Hospital Colorado (CHCO) for pediatric Fellows involves initiation and involvement in a QI project. Details about the different tiers of this metric are listed below. You can also find these on the GME Quality and Safety page for your reference.

2024 – 2025: Peds Fellows

Non-General Pediatric Residents and Fellows - Option 1, QI Project

Maximum eligible payout: $1000 per eligible resident/fellow
Level of achievement: hybrid—program wide/individual
Documentation Submission Deadline: 4/30/2025

Tier	Documentation Required	Payout
1	Completion of CHCO QI Project Proposal Form (A3)	$400.00
2	Project submitted to and approved by Organizational Research Risk and Quality Improvement Review Panel (ORRQIRP) NOTE: proposals should be submitted by 2/1/2024 to ensure enough time for review and approval.	$400.00
3	Baseline data or results from an intervention NOTE: if using same project from 23-24, must have results from an intervention	$200.00

Steps to help complete this metric:

- **Getting started:**
  - Not sure where to start with your QI project? The IHQSE Quality & Safety Academy provides a series of workshops designed to build foundational knowledge in quality improvement and patient safety.
- **Completion of CHCO QI Project Charter Proposal Form (A3):**
  - For reference, an A3 template with instructions from a prior quality symposium is posted on the GME Quality and Safety page.
- **Project submission to Organizational Risk and Quality Improvement Review Panel (ORRQIRP):**
  - You can find ORRQIRP submission instructions here.
  - You can submit to ORRQIRP here.
- **Baseline data or results from an intervention:**
  - Not sure where to start finding data for your project, you are encouraged to register for the *Acquiring Data to Drive Change* session of the Quality & safety Academy. Attendees to this session will emerge with skills for obtaining the necessary data for tracking improvement as well as a basic understanding of how to interpret data to identify when a change has occurred.
- **Bringing it all together:**
  - Once you have all the required components for each tier, you must complete this form to submit your work to the GME office to get credit for the GME Incentive Program. *This is a different submission from ORRQIRP.*
    - These requirements may be submitted separately (using the form each time) or all together when all components are completed.
  - Be sure include all names of the residents/fellows who contributed. Final submission of this form is due 4/30/2025.
