

# Modern Human Anatomy Program

UNIVERSITY OF COLORADO **ANSCHUTZ MEDICAL CAMPUS**

## Anatomical Sciences Education Certificate Checklist

**Student:**

**SID:**

| Course   | Title  | Required Credits | Credits Completed | Semester(s) of Completion | Grade |
|--|--|------------------|-------------------|---------------------------|-------|
| ANAT 6490  | Advanced Teaching in the Anatomical Sciences | 3                |                   |                           |       |
| ANAT 6911  | Advanced Teaching Practicum                  | 3                |                   |                           |       |
| ANAT 6950  | MSMHA Capstone with Education Component      | 8                |                   |                           |       |
| Approved Certificate Electives (see courses below) |  | 4                |                   |                           |       |

**Total Credits:** 18

| Certificate Approved Electives |   |     |  |  |  |
|--------------------------------|---|-----|--|--|--|
| ANAT 6750                      | Special Topics: Anatomical Animation                                      | 2   |  |  |  |
| ANAT 6840                      | Independent Study   | 1-4 |  |  |  |
| ANAT 6508                      | Human Physiology  | 4   |  |  |  |
| ANAT 6911                      | Advanced Teaching Practicum (in different course than required ANAT 6911) | 1   |  |  |  |
| EDHD 5240                      | Cognition and Instruction   | 3   |  |  |  |
| EDHD 6320                      | Mind, Brain, and Education  | 3   |  |  |  |
| EPSY 5110                      | Human Learning  | 3   |  |  |  |
| HMGP 7600                      | Survey of Human Medical Genetics  | 3   |  |  |  |
| IDPT 7646                      | Tissue Biology and Disease Mechanisms                                     | 3   |  |  |  |
| INTE 5000                      | Design Thinking and Educational Motivation                                | 3   |  |  |  |
| INTE 5100                      | Planning and Designing for Instruction                                    | 3   |  |  |  |
| INTE 5200                      | The Online Educator   | 3   |  |  |  |
| INTE 5250                      | Teaching Strategies for Online and Blended Learning                       | 3   |  |  |  |
| INTE 5320                      | Games and Learning  | 3   |  |  |  |
| INTE 5660                      | Self-Paced E-Learning Modules   | 3   |  |  |  |
| INTE 5680                      | Integrating Media in eLearning Environments                               | 3   |  |  |  |
| UEDU 5400                      | Theory and Pedagogy of Science Instruction                                | 3   |  |  |  |

Award of Certificate Approved:

\_\_\_\_\_  
*Maureen Stabio, PhD Director, Certificate of Anatomical Sciences education*
