

Capstone Project Funding Request Form

Purchases made with capstone project funding are the property of the University of Colorado Denver and the Modern Human Anatomy program.

Funding for MSMHA Capstone Project expenses will be considered only if the purchase is directly and fully attributable to the MSMHA program and specifically contributes to a student's capstone work. Total capstone expenditures should not exceed \$1,000. Students must have submitted a completed Capstone Student-Mentor Agreement prior to requesting capstone project funding.
