Dr. Momii, Dr. Pressman, and Dr. Pelak from the Alzheimer's & Cognition Center will provide an overview of the symptoms, treatments, and disease management for different causes of dementia. Author, social gerontologist, and television personality, Dr. Macie Smith, will provide a meaningful overview of the caregiver journey. Explore these topics with clinical experts and community members from the 4AC from CU Anschutz. Dr. Huntington Potter will facilitate the event.
