

Ready to smile?

If you are over the age of 18, this study may be for you.

Study for healthy adults:

We're looking for healthy adults to help us understand how the brain makes different facial expressions.

Participants will be asked to participate in one visit.

Participants will receive:

- Snacks
- Refreshments
- A neurological screening

Location

All sessions will be at the University of Colorado, Anschutz Medical Campus in Aurora, Colorado.
