NEWS, ANNOUNCEMENTS, CELEBRATIONS

[The status of global mental health](#) is this week's newsletter from Ben Miller about how new report sheds light on some of the problems we are up against as a world.

[A Denver Researcher Highlights Older Queer Women through Photographs](#) is an interview in *5280* by Barbara Urzua with Dr. Carey Candrian, associate professor at the CU School of Medicine, who created photographic and written stories to help people better understand the challenges of older LGBTQ women in Colorado.

[Adolescent Reproductive Health ECHO Program](#) is a website that contains resources for teens, parents, educators, and health providers. You can register here for upcoming ECHO presentations.

[CU Nursing Alumna/Faculty Take Psychiatry Training Program to the Next Level](#) is a post on the *Anschutz College of Nursing* website by Bob Mook about how co-directors of the Psychiatric Mental Health Nurse Practitioner (PMHNP) program are working to make their training program even better and increasing the number of student rotations from two to 10 per year.

COMMUNITY HEALTH AND PREVENTION

[Can ChatGPT and TikTok Fads Hurt People Struggling with Eating Disorders?](#) is a post on the *CU Anschutz Medical Campus* website by Laura Kelley about how a CU licensed clinical social worker addresses potential impacts of new technology on disordered eating.

[COVID-19 & More: COVID, the “mask wars,” and East Palestine redux](#) is this week’s commentary from Dean Jon Samet.

[Opinion: Zero-tolerance isn’t working. We need a restorative approach to drug addiction.](#) is a story in *The Colorado Sun* by Jazlynne Smith about how people with addictions don’t need forced sobriety; they need agency and

[Why Aren’t Doctors Screening Older Americans for Anxiety?](#) is a story in the *New York Times* by Paula Span about how anxiety disorders are common among seniors, yet an influential panel seems likely to recommend against routine screening.

[Gun violence: Firearm safety and suicide prevention with Emmy Betz, MD, MPH](#) is a podcast that covers firearm-related injury and suicide, the role physicians can play in helping to prevent it, and available resources.

[‘At their wit’s end’: Those working to save teens from gun violence express burnout as it increases](#) is a post on *9 News* by Darius Johnson and Janet Oravetz about the alarming trend of a rise in violence among teens and how those working to prevent it are burnt out.

[Colorado to get \\$4.5 million to combat gun violence](#) is a *KDVR* story by Nicole Fierro about an award from the U.S. Department of Justice to fund efforts that combat gun violence.

[Colorado hospitals warn of ‘catastrophic’ consequences of proposed bill](#) is a story in the *Denver Business Journal* by Analisa Romano about how ahead of the bill’s introduction, the Colorado Hospital Association, joined by representatives from Denver Health, Children’s Hospital Colorado, and UHealth said that the term “facility fee” is a “terrible misnomer,” which has resulted in a policy proposal that would devastate the industry. [Another story](#) in *The Colorado Sun* by John Ingold that also addresses House Bill 1215.

[Colorado considers ‘safe injection sites’ to prevent overdoses](#) is a *CPR News* story by the AP about how Democratic lawmakers in Colorado pushed the controversial bill forward in committee this week but is garnering stiff pushback.

[U.S. Rep. Jason Crow Visits CU Anschutz Medical Campus to Highlight Two Campus Initiatives](#) is a post on the CU School of Medicine website about Jason Crow’s campus visit last week to hear about and address rural health and reducing injury and violence.

[SNAP benefits drop at least \\$90 a month in Colorado as food, housing, heating and fuel prices rise](#) is a story in *The Colorado Sun* by Monte Whaley about how some anticipate a 20% increase in people needing help as SNAP benefits that expanded during the pandemic return to previous levels.

RESEARCH, DATA, EVALUATION

[Just and Ethical Study Designs in the Opioid Epidemic](#) is an opinion piece in *The Milbank Quarterly* by Harold A. Pollack and colleagues that discusses the need for additional protections for vulnerable research subjects facing the opioid epidemic and other harms to their well-being.

[How Hospitals are Tackling Violence](#) is a story in *The Hospitalist* by Karen Appold that calls out study findings of increased violence against hospital employees. This piece involves interviews with providers from various hospitals across the country.

[Bullying is rising in schools. How are districts responding?](#) is a *3 News Now* story by Dan Grossman about studies that show bullying may be rising again.

[Why music causes memories to flood back](#) is a story in *The Washington Post* by Marlene Cimonis about a phenomenon familiar to brain researchers.

MEDICAL-LEGAL PARTNERSHIPS

[Financing Medical-Legal Partnerships: View from the Field](#) is a fact sheet by Jennifer Trott and colleagues that draws on survey data from 350 health care organizations and their partnering legal organizations to describe how medical-legal partnerships are adapting to meet their funding challenges.
