

CSI COVID-19 Training Protocol:

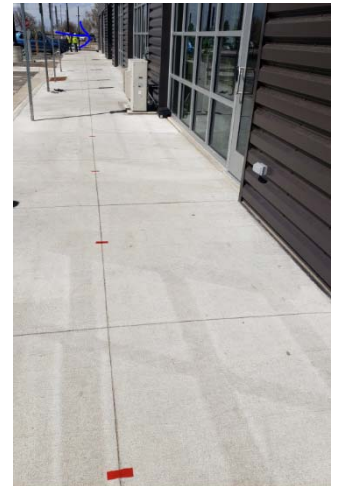

Current Phase 5

- Phase 4: Begin: 03.01.21 End: 05.31.21 - Max of 36 attendees, 4+ proctor per station
- Phase 5: Begin: 06.01.21 End: TBD - Max of 55 attendees, 6+ proctor per station

CSI Protocol:

- Per university protocol:
 - All CSI employees who are not vaccinated will complete the daily health questionnaire before arriving on campus and follow up campus policies regarding mask use and distancing for unvaccinated individuals.
 - All CSI employees will not report to work if they are feeling ill
 - Social distancing and hand hygiene will be strictly enforced
 - Masks will be mandatory for all individuals, regardless of vaccination status, for indoor events (including CSI lab space, auditorium, and conference room)
- CSI will disinfect all CSI spaces (conference rooms, labs, etc.) at the conclusion of each event and throughout the day, as needed
- Sunshine Cleaners, as hired by the FIC, will continue to clean, and disinfect all common spaces (including conference rooms, restrooms, elevators, etc.) of BS3 every evening
- CSI will review phases with EHS/university leadership to determine phase of work/training and adjust appropriately
- CSI clients will be informed that unvaccinated individuals must complete the daily attestation and comply with campus policies regarding mask use and distancing for unvaccinated individuals

Entrance Protocol:

- Attendees will be requested to arrive wearing scrubs and face masks (CSI will provide if needed)
- A CSI staff member or someone appointed by CSI must check in all guests to CSI

Vaccinated visitors to CSI:

- Sign in on the admittance/tracing log
- Keep your mask on at all times

Unvaccinated visitors to CSI:

- Fill out the CU attestation check-in <https://covidcheckpoint.cuanschutz.edu/#/>
- Show completed form to CSI personnel
- Sign in on the admittance/tracing log
- Keep your mask on at all times

Didactic Location Protocol:

Phase 5: Max of 55 attendees – Auditorium

Max of 25 attendees – CSI Conference Room

- Auditorium (125-person conference room): (see image)
- Every second seat will be utilized for a total of **55** participants
- Catering boxed meals (coffee, food, etc.) can be provided for up to 55 participants, but unvaccinated individuals must follow campus protocols and maintain 6 feet of distance from others
- Masks required
- Two hand sanitizer stations available

CSI Conference Room (50-person conference room): (see image)

- Every second seat will be utilized for a total of **25** participants
- Seats have been numbered
- Catering boxed meals (coffee, food, etc.) can be provided for up to 25 participants, but unvaccinated individuals must follow campus protocols and maintain 6 feet of distance from others
- Masks required
- Two hand sanitizer stations available

Locker Room (s) Protocol:

- Locker Room 1 (230 sq. ft.) will allow only 4 attendees in at a time
 - One hand sanitizer station available
- Locker Room 2 (120 sq. ft.) will allow 2 attendees in at a time
 - One hand sanitizer station available

Lab Protocol:

Phase 5: Max of 55 attendees, 6+ proctor per station

- CSI will enforce 6 feet distancing between stations
- PPE required: surgical masks
 - Other PPE will be placed around the lab so that lab-activity appropriate PPE (such as gloves for dissection, etc.) is available
- Four hand sanitizer stations
- Two hand washing stations
- Up to 6 proctors rotating throughout the lab, keeping 6 feet distance as much as possible
- Floor plan shows 12 stations that are a minimum of 6 feet apart
