1302 Practices Closeouts

- 1302 practices have until **December 2026** to spend down their funds – wide variety of spend rates
- Per HCPF: Once a practice has submitted and been paid their final invoice (expended and paid all grant funds), we cannot provide them with facilitation or other support.
 - ***Update:** As part of their closeout process, HCPF is scheduling a conversation with the practice after they've submitted a final invoice. During this conversation, the practice will be given the option to leave a small amount of the final invoice unpaid to continue to receive facilitation through December 2025.
- HCPF will update PIP as practices send final invoices/request closeout and we will communicate this to the PF and PTO lead.
- Practices will be expected to finish a final building block assessment and close out facilitation before the final invoice will be paid. HCPF to communicate this expectation.

1302 Practices Closeouts (cont.)

- Practices with contracts ending July 1- September 30, 2025
 - Final BBA will be the one due June 15, 2025
 - PTO will complete July August Field Note and Closeout Survey within final field note*
- Practices with contracts ending October 1 - December 1, 2025
 - Complete all Year 3 deliverables

Revised Year 3 PTO Scope of Work

Activity	Final Due Date
July- August 2025 Field Note	9/8/2025
Final Update Building Blocks of Behavioral Health Integration: Care Delivery Assessment	11/8/2025
September – November 2025 Field Note	12/1/2025
Closeout Survey within final field note*	12/1/2025

*Closeout questions are accessed by indicating “Yes” on field note question asking if this is the final field note you will enter for this practice. This will not appear as a separate survey in SPLIT.

- Intent is for your effort for two months of facilitation to be spread across the time period, with at least one meeting in each field note time frame
 - Reach out for guidance for specific practices or situations as needed
- This will be the final scope of work for 1302 facilitation
- Reminder that though 1302 PTO contracts with the Practice Innovation Program end in December 2025, **practice contracts with HCPF may extend beyond that time.**

Invoicing & Contracts

- **THANK YOU** to all the PTOs for getting year end invoicing in!
- Year 3 scopes of work and purchase orders (July – December 2025) are in the process of being issued.
