Choosing Wisely Worksheet 3 – The Observation

Assignment: Observe a practice and indicate the team-based approaches you would suggest to successfully embed Choosing Wisely. Document your responses below:

The Observation

1. Referring to the Choosing Wisely Toolkit, walk through and observe your practice. What are the ways in which they could embed Choosing Wisely throughout the practice?
2. Who could be designated as the practice champion for implementing Choosing Wisely?
3. What will be your communication/education strategy for providers/staff at this practice/organization to implement Choosing Wisely?

4. Time to think about workflow. Where would you suggest the practice implement Choosing Wisely in their workflow?

Develop a clearer picture of the interaction points with a patient. Identify the right time for a team-based approach for Choosing Wisely conversations.
