- For each UAU Measure, you will answer how the data was collected:
 - Generated from a CQM report
 - Generated from an EHR Report
 - Generated from an Electronic Registry
 - Generated from a Billing Report
 - Manual Registry
 - Other _____

HIT UAU Measures Collection Due Dates

Report measures:

- Month 2 (most recent prior reporting history)
- Month 9 (most recent prior reporting history)

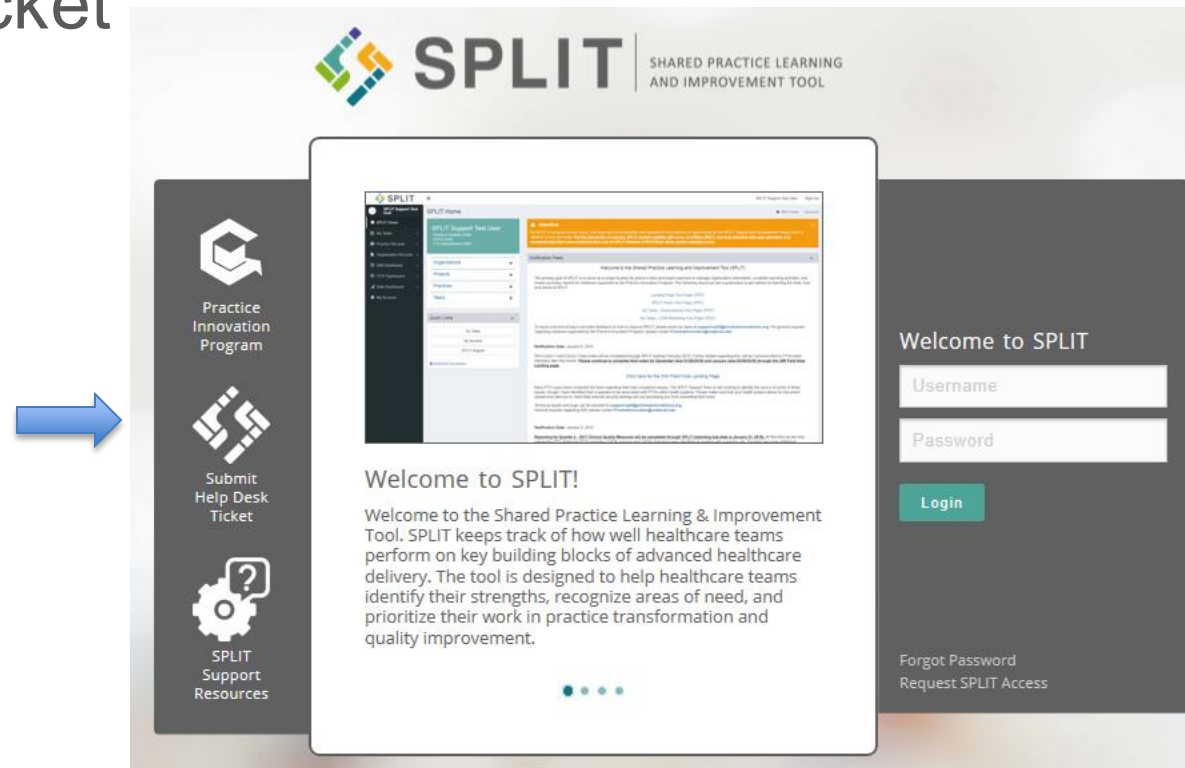

CHITA Support

- Who
 - Andrew and Jennifer
- What
 - Centralized CHITA support for ISP program
- When
 - Anytime you are having issues with HIT or EHR in a practice that you are unable to resolve
- Where
 - You will be contacted by Jennifer and Andrew and we will work with you and the practice
- Why
 - Budget constraints restricted the ability to have a dedicated CHITA for each practice
