Cohort 3 Practice Introductions

- Name of your clinic
- Where you're located
- Who from your team is on the call?

Teams

1. UCHealth Family Medicine Center Residency, Fort Collins, CO
2. Aurora Mental Health and Recovery, Aurora, CO
3. CU College of Nursing Midwifery Clinics, Highlands Ranch & Longmont, CO
4. Elevate Healthcare, Pueblo, CO
5. Clinica, Boulder, CO
6. The Group for Women, Aurora, CO
7. Summitstone Health Partners, Fort Collins, CO

Project Aim

- We aim to measurably improve outcomes for mothering women and their children by integrating obstetric, behavioral health, and substance use disorder treatment services in at least six Colorado locations.

Background

- ICWB authorized through Colorado State Senate Bill 19-228 Maternal and Child Health Pilot Program Paid for by Marijuana Tax funds
- Department of Human Services, Office of Behavioral Health (OBH) assigned responsibility for project direction, oversight, and evaluation
- OBH providing additional support for supplementary patient services through block grant funding

Circle Of Parents In Recovery

illuminate
Building Brighter Childhoods

What is Circle of Parents?

Its a Peer Support Program designed for parents and caregivers.

Mission

Prevent child maltreatment and strengthen families through mutual self-help parent support groups.

- It provides a **friendly, supportive** environment **led by parents** and other caregivers.
- It's a space where anyone in a parenting role can openly **discuss the successes** and **challenges of raising children**.
- It's a space where they can **find and share support**.

Foundations of the Model

Nationally Recognized Model

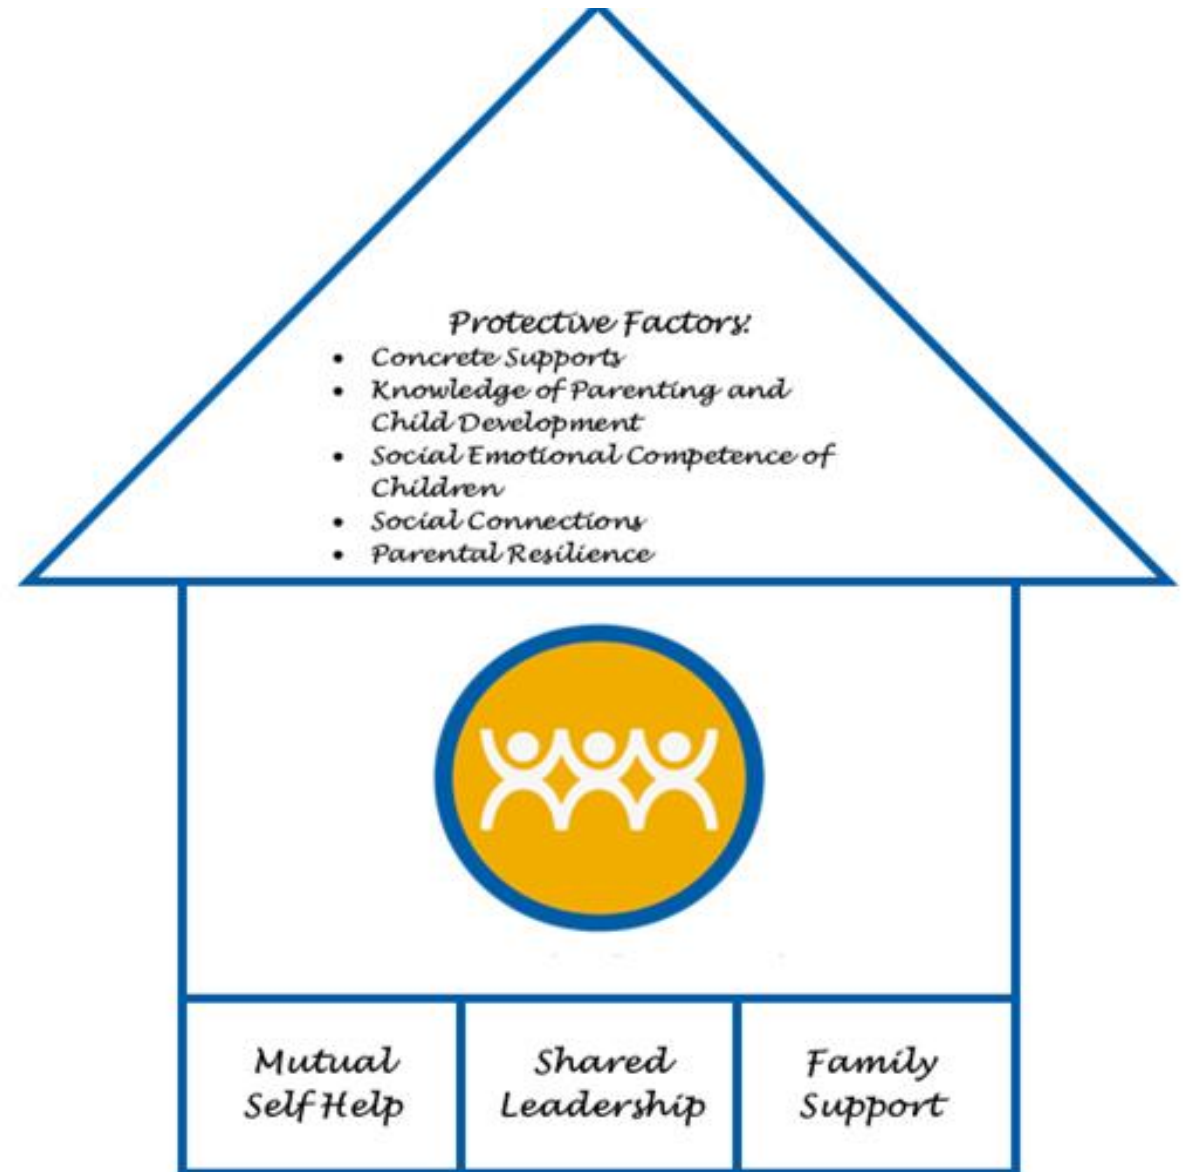

The Circle of Parents peer support group addresses all five Strengthening Families' Protective Factors by promoting healthy social connections for parents, and improving parental resiliency.

The Model

- Strengths-Based
- Focus on Supporting Parent Leadership
- Free, Weekly Support Groups
- Parent-led, Professionally Facilitated
- Trauma-Informed
- Sharing, Learning, Support, & Friendship
- Children's Circle

Model Foundations

- ✓ Mutual Self-Help
- ✓ Shared Leadership/Ownership
- ✓ Family Support
- ✓ Protective Factors

Overview - Logistical Aspects

- “Readiness meeting” to talk more about the logistics of starting your Circle group
- MOU, budget & contract with Illuminate
- Training and Technical Assistance (Illuminate)
 - All facilitators should be trained through the Illuminate Circle of Parents training program (day training)
 - Next training will be held in August
- Minimal data needed (simplified data needs)
- Monthly invoices with supporting documentation
- “Kick off meeting” prior to your Circle group starting.

Project resources

- **Implementation guide – [Link](#)**
 - Guidelines and goals for sites working to improve care outcomes for women, babies and their families with substance use challenges.
- **Project website – [Link](#)**
 - Links to Shared Learning Call Resources
- **ICWB Start-up Guide – [Link](#)**
 - Contains procedures for getting started including forms, payment and planning for your project

ICWB Practice Onboarding Site
