By my signature below, I confirm that all the information contained on this Physician Order form accurately reflects the patient's diabetic condition, and the treatment regimen which I am prescribing. This patient's medical records substantiate the items prescribed. I will maintain this signed original document in the patient's medical record for post-payment purposes. I agree to follow up on the patient every six (6) months while under my care for control of diabetes. This Physician Order is being sent to Advanced Diabetes Supply (ADS) per the patient's choice. I understand I am sending the prescribed items to ADS, a pharmacy and medical device supplier, to be filled per patient's preference. I communicated to the patient/caregiver the recommended treatment plan, including potential risks, benefits, precautions and limitations of the products, including off-label usage, which I authorize. The patient/caregiver is physically and intellectually able to follow instructions for controlling diabetes and to operate the items prescribed, and has been or is being trained in their use. DAW = 0, no product selection indicated, unless prescriber indicates otherwise _____. Not Applicable. For Virginia patients, RPh is authorized to make copies of this order to circle one prescribed item per copy to meet the pharmacy law requirement of single item prescription. Nothing will be changed from this original order.
