

Welcome RAE Practice Facilitators

Please put your name and the RAE you represent in the chat.

You can ask questions via the chat. We will monitor it as we go along. We will also pause for questions periodically. We are using AI Companion for notetaking.

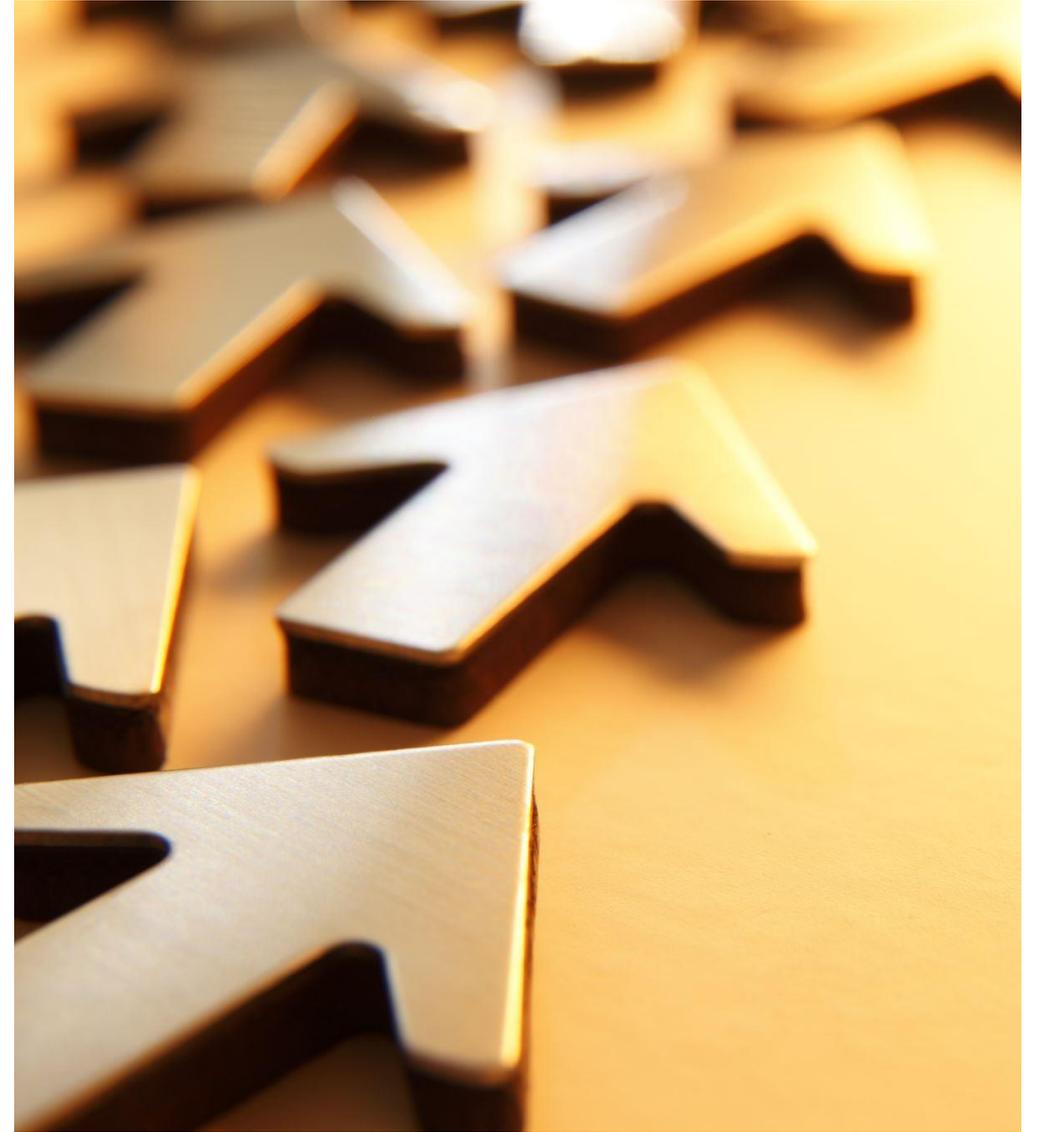

These slides will be made available on the Practice Innovation Program website:

RAE PF Quality Reports Monthly Survey

Survey to help HCPF better understand how you, and the practices you support, use the ACC Phase III Primary Care Payment Program Reports that have been shared to date, which include Performance Reports for the Quality, Shared Savings, and Prospective Payment programs.

Your responses will guide improvements to future report design, usability, and practical application to better support program goals.

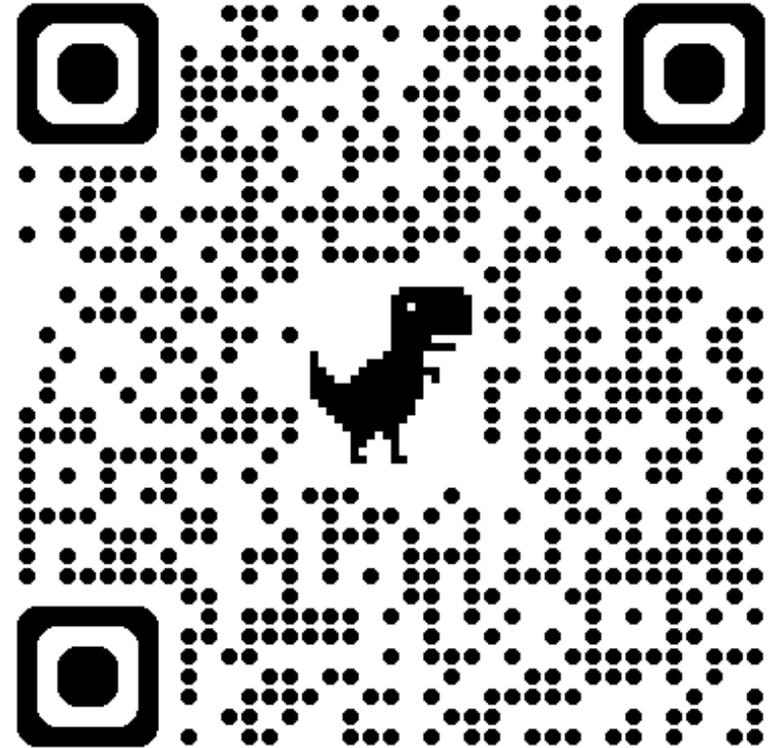

RAE PF Quality Reports Monthly Survey

- Caveat: feedback on survey will not create an action item for HCPF
- Use form linked below to request a data review of any of the HCPF reports:

https://app.smartsheet.com/b/form/95480a30dc194032ad17f22482f142e_c

- Survey will be shared with you following today's session to share with others in your organization.
- The survey will be open for responses through 2/28/2026
- This survey will be repeated monthly through June.
