YOUR FAVORITE MOUNTAIN PLAYGROUND
Keystone Resort is located in Summit County, Colorado, just a short, scenic drive from Denver. Whether you’re a family with kids or a kid at heart, this laid-back mountain playground will make you feel right at home. Keystone Resort offers a huge variety of year-round outdoor activities and adventures, a broad range of lodging accommodations and award-winning dining, all nestled in the breathtaking Rocky Mountains. With so much to do here, making lasting memories with friends and family comes naturally.

Join with other attendees to collaborate, brainstorm and celebrate without distraction in one of Colorado’s most casual mountain destinations and the largest conference center in the Rockies. Keystone Resort captivates attendees from arrival to departure with its three gorgeous 14,000 ft. mountains, verdant landscapes lush with fir, aspen and pine trees, and two spirited mountain villages for mingling après-meeting.

CONFERENCE OBJECTIVES – This forty-eighth annual course is designed to provide the practitioner with state-of-the-art information regarding the pathogenesis and treatment of a variety of disease states. Recognized guest lecturers and members of our own faculty will give sharply focused clinically oriented talks on a range of topics. Upon completion of the course participants should be able to:

- Review current concepts regarding the role of inflammation in CKD and cardiovascular disease, recent advances in the management of CKD/MOB, and the endovascular non-surgical approach to the correction of AV fistulae.
- Discuss conservative kidney care management as an alternative to dialysis and the importance of patient-reported outcome measures in ESKD.
- Outline the results of the CKD study in pediatric CKD patients, strategies for transitioning the pediatric ESKD patient to the adult nephrologist, and the basics of nephropathy that are important for the adult nephrologist.
- Explain new insights into the pathogenesis and treatment of minimal change disease, recent advances in the treatment of lupus nephritis, and management of the pregnant woman with lupus nephritis.
- Describe the effects of Covid-19 infection on the kidney and its impact on kidney transplant recipients.
- Summarize the results of key literature articles of the past year in the areas of glomerulonephritis, CKD and dialysis, and transplantation and be prepared to implement this knowledge in clinical practice.

AGENDA
MONDAY, JULY 11, 2022
1:30-2:25 p.m. Registration
2:25-3:00 Welcome - Isaac Telethbaum, MD
3:00-3:30 CKD/ESRD-1
3:35-4:25 The Dr. Marvin Bernstein Endowed Lecture
4:35-5:45 Break
5:45-6:25 What Matters to Patients? Patient-Reported Outcome Measures in ESKD - Sara Davison, MD
6:30 Adjourn: Reception & Chamber Music
TUESDAY, JULY 12, 2022
Morning free to enjoy Keystone!

PEDIATRIC NEPHROLOGY
1:30-2:05 Chronic Kidney Disease in Children: Lessons from the CKID Study - Bradley A. Warady, MD
2:15-3:00 The Dr. Robert W. Schrier Endowed Lecture
3:00-3:35 The Dr. Robert W. Schrier Endowed Lecture
3:40-4:25 Break
4:25-5:45 Challenges in Transplantation? The Obese Patient - Scott Davis, MD and Tom Pshak, MD
5:05-5:50 What’s New in Transplantation? A Review of the Recent Literature - Scott Davis, MD
6:00 Adjourn

WORKSHOPS
MONDAY, JULY 11, 2022
7:00-7:30 a.m. Continental Breakfast
8:00-9:00 a.m. Renal/ Rheumatology, Joint Practice: The Whole is Greater than the Sum of its Parts - Sarah Young, MD and JoAnne Zell, MD
10:30-11:00 a.m. COVID Infection in the Transplant Patient - Anip Bansal, MD
11:10-11:50 a.m. What’s New in Glomerulonephritis? A Review of the Recent Literature - Jayme Dylewski, DO
12:00-1:00 p.m. Conference Adjourns

THURSDAY, JULY 14, 2022
Morning free to enjoy Keystone!

GLOMERULONEPHRITIS
1:45-2:30 What’s New in Glomerulonephritis? A Review of the Recent Literature - Jayme Dylewski, DO
3:20-3:50 Recent Advances in the Treatment of Lupus Nephritis - Jayme Dylewski, DO
4:10-4:55 Change Climate and Nephrology - Sarah Young, MD
5:05-5:50 Adjourn

FRIDAY, JULY 15, 2022
7:00-7:30 a.m. Continental Breakfast

Covid and the Kidney
7:30-8:15 Kidney Disease in Acute, Prolonged, and Post-Covid Infection - Anip Bansal, MD
8:25-9:10 Covid Infection in the Transplant Patient - Scott Davis, MD
9:20-9:40 Break

Renal Potpourri
9:40-10:20 Genetic Testing for Kidney Disease - Anna Jovanovich, MD
10:30-11:00 Plasma Exchange for the Nephrologist - Isaac Telethbaum, MD
11:10-11:50 What’s New in CKD and Dialysis? A Review of the Recent Literature - Arpi Bansal, MD
12:00-1:00 Lunch

Continental Breakfast

A Case Studies in Conservative Kidney Management - Durs. Davison and Jovanovich
B. Pediatric Nephrology for the Adult Nephrologist - Durs. Cara-Fuentes and Warady
C. Kidney Transplant Biopsies - Durs. Dylewski and Lucia

Workshops repeated
Break
CPC - Durs. Bansal and Lucia
Lunch
Workshops Repeated

We are obligated to impose a charge of $60 for non-conference members who attend the reception.

CANCELLATIONS: A refund minus a $100 administrative fee will be granted if the cancellation is requested by July 1, 2022. No refunds will be granted after this date or for non-attendance.
