Faculty

Guest Faculty:
- Luigi Di Biase, MD, PhD (Einstein School of Medicine)
- Kenneth A. Ellenbogen, MD (Virginia Commonwealth University)
- Fermin C. Garcia, MD (University of Pennsylvania)
- Andrea Natale, MD (Texas Cardiac Arrhythmia Institute)
- William H. Sauer, MD (Harvard University)
- Sri Sundaram, MD (South Denver Health Center)
- Ethan Ellis, MD (University of Colorado Health Systems)
- John D. Ferguson, MD (SCL Health)
- Christopher Cole, MD (Centura Health)

Faculty:
- Wendy S. Tzou, MD (University of Colorado)
- Paul D. Varosy, MD (University of Colorado)
- Matthew M. Zipse, MD (University of Colorado)

Conference Coordinators:
- Sandra Gelsuch (University of Colorado)
- Annie Skoglund (Association Management, Inc. & American College of Cardiology)

University of Colorado School of Medicine Faculty:
- Ryan G. Aleong, MD
- Ryan T. Borne, MD
- Shu Chang, MD
- Joseph C. Cleveland, Jr., MD
- Ryan Cotter, MD
- Dan Matlock, MD
- Nicholas Mantini, MD
- Luisa Mestretta, MD
- Brian Miller, MD
- Michael Rosenberg, MD
- Armitraj Sandhu, MD
- Alexis Z. Tumolo, MD
- Wendy S. Tzou, MD
- Paul D. Varosy, MD
- Matthew M. Zipse, MD

Registration Link:
Innovations in Complex Arrhythmia Management

7:30–8:00: Informal Breakfast Discussion Topic (Optional): Update on Professional Society Guidelines for Management of Ventricular Arrhythmias and Arrhythmogenic Right Ventricular Cardiomyopathy
8:00–8:15: Dan Matlock, MD - "Shared Devison Making": What Does and Will This Mean
8:15–8:30: Matthew M. Zipse, MD - Emerging Alternatives for Leadless Device Therapies
8:30–8:45: Andrea Natale, MD - RF Alternatives for AF Ablation
8:45–9:05: William H. Sauer, MD - Alternative Sources for Cardiac Ablation
9:05–9:25: Fermin C. Garcia, MD - Mapping (and Ablating) the Unmappable: The 5th Dimension of the LV Summit
9:25–9:40: Luigi Di Biase, MD, PhD - Emerging Tools and Approaches for Epicardial Mapping and Ablation
9:40–9:55: Break & Exhibits
10:25–10:45: Luisa Mestrioni, MD - Arrhythmogenic Cardiomyopathies: Updates in Diagnoses and Management
10:45–11:00: Break & Exhibits
11:00–11:40: Case Presentations from the Front Lines: Techniques and Endpoints for Ablation of Ventricular Tachycardia: Ethan Ellis, MD, and Ryan Cotter, MD; Panelists: Luigi Di Biase, MD, PhD, Kenneth A. Ellenbogen, MD, John Ferguson, MD, and William H. Sauer, MD
11:40–11:55: Michael Rosenberg, MD - Role of Machine Learning in Screening and Diagnoses of Arrhythmias
11:55–12:00: Wendy S. Tzou, MD - Closing Remarks

Departures during the day
