Extramural Funding

DELIVERS

National Impact
Together

FIVE INTERCONNECTED MISSION AREAS

1

Instructional Design & Curriculum

Design and deliver
high-quality learning
experiences.

2

Assessment, Evaluation & Outcomes

Measure performance
and improve programs
through data.

3

Technology, Analytics & Innovation

Build and leverage data
and technology to inform
and innovate.

4

CU-MESA Scholarship Accelerator

Catalyze scholarship,
funding, and cross-
institutional collaboration.

5

Academy of Medical Educators (AME)

Develop and support
educators and strengthen
our educator community.

STRONGER TOGETHER:

Aligned infrastructure. Shared data. Collaborative expertise.

Powering educational **excellence**
and **innovation** at every step.
