The Colorado Physician's Oath

I swear by what is sacred to me that I will fulfill, according to my ability and judgment, this oath and this covenant:

I devote myself to the health of humanity, with full respect for the dignity and worth of each person. Above all, I will strive to do no harm.

I recognize that my knowledge and skills are imperfect, and that I must always seek further training and growth. I will not perform treatments for which I am not qualified, and I will call upon others for help. In turn, I will gladly render aid when asked.

I commit myself to the profession of medicine, to the advancement of scientific knowledge, and to the education and mentorship of those who follow me

I will respect the rights of my patients and colleagues and shall safeguard those confidences placed in me.

I will speak out when silence is wrong. I will respect the law, but I will not fail to seek changes that would reduce suffering or contribute to good health.

I recognize the trust that has been placed in me by society and by my colleagues. I will at all times comport myself with dignity, honesty, humility, and integrity.

These things I do swear solemnly, freely, and upon my personal and professional honor.
