Plains Electives

Semester Three:
Start Date - Monday, April 17, 2023
End Date - Friday, July 14, 2023
Dates to Remember

Registration (Lottery)
03/13/2023 AT 8:00AM | 03/20/23 AT 8:00 AM
The lottery is the initial registration period, and for S1 the lottery will open on Monday, March 13, and closes on Monday, March 20, 2023.

Registration - (Add/Drop)
03/20/2023 AT 12:00PM | 03/31/23 AT 5:00PM
The add/drop period is the secondary registration period.
Note, tracks (Global Health and Research) and the Rural Program are not in the lottery and cannot be added during the initial registration period.

Add/Drop Period
03/20/2023 | 03/31/2023
Students will have a period of time to add or drop electives in OASIS before the course start date. During this time students may add/drop electives. Note, Plains students are not allowed to take more than one elective at a time (per semester).

Final Schedules
ALL SCHEDULE FINAL - 03/31/2023
Students cannot make schedule changes themselves in OASIS after 03/31/2022
Semester two starts on Monday, April 17, 2023.

Note, if students want to make schedule changes after the add/drop period ends: Contact Susannah Wilcox at susannah.wilcox@cuanschutz.edu

Reminders & Updates

- Save the Date | 2023 Plains Electives Fair
- Student notifications will be sent prior to the start of each Plains elective semester with registration details for each semester.
- Please contact Susannah Wilcox at susannah.wilcox@cuanschutz.edu with any questions about Plains electives.

Disclaimer: The elective courses and registration information are subject to change. Any changes will be communicated to students. Students should check their emails and Learning Management Systems daily.
2023 Plains Electives Fair

Electives Fair Save Date

Wednesday | August 16, 2023
5:15 PM | 6:45 PM MST

More details will follow!

University of Colorado Anschutz Medical Campus
When are electives offered?

For the purposes of electives, the Plains year after Traverse One is divided into three semesters. Electives are offered for 1-2 hours per week for twelve weeks within the semester. Electives do not run during Traverse or holiday weeks. Students who are designated as being in “good standing” by the Progress Committee may take one elective per semester. Students who fall out of good standing, will be withdrawn from their elective.

- **Semester 1:** 09/19/2022 - 12/16/2022
- **Semester 2:** 01/02/2023 - 04/07/2023
- **Semester 3:** 04/17/2023 - 07/14/2023

How do students register for electives?

- Students who are enrolling in Rural, Global Health, and Research programs should follow each program’s instructions for enrollment. Contact program coordinators with questions regarding Global Health, Global Health Research, Research, and Rural Programs.
- All other students will receive information about how to request enrollment for the available electives prior to the beginning of each semester. Students will have the opportunity to request and list a preference order of electives in OASIS. The lottery in OASIS will cycle through student preferences to add students to rosters. (E.G., if student Zebulon Pike is randomly selected first, the system will look at the first preference on their list, if there is an available enrollment slot, Zebulon is added to the roster. The system will then move to the next randomly selected student. Starting at their top preference, the system will try to add the student to a course roster. If the course is full, the system will look to the second preference and, if necessary, down the list until the student is added to a roster or there are no more courses on the student’s list. The system then moves to the next randomly selected student, and the next through the whole cohort.) Students will have the option to add/drop electives in OASIS until the Friday before the elective semester starts.

Add/Drop Instructions in OASIS

Add/Drop in Oasis
For Trek students

In addition to using Oasis for your elective's lottery, you will use it for Add/Drop available after the lottery has run and once your course enrollment is revealed. This allows you to drop a course in which you have been enrolled. You can also add a course roster if you have no other enrollment in the semester. Additionally, with full enrollment, you may add yourself to the waitlist. If an enrolled student makes a spot available, you will be contacted and asked if you would like to take an existing enrollment, you will need to drop it before you can be added to the course.

Some courses are designated "Instructor approval," which means that the requirements to signing up for the course. Those courses will have a waitlist. The requirements may be participation in a Track or complete the course. You may need to provide documentation, which will be provided to you.

Instructions for how to complete that are below.

Log-in
Go to https://ucdenver.oasisscheduling.com/
Click on Users with PassportID and enter your CU Anschutz credentials to log in.

Add a Course
Click on Add Course from the top navigation.
Attendance & Absence Policy

Attendance is required at Elective activities unless indicated as optional by Course Directors. If a student needs to request an absence, they must directly email the Course Director and Course Coordinator ASAP and at least 48 hours ahead of time. Do NOT submit an absence form in North Star for electives, this process is only used for core courses.

Unplanned absences due to illness, other unforeseen circumstances must be communicated to the Course Director, Coordinator, and Office of Student Life ASAP and within 24 hours of the absence.
OASIS
Schedule software used for course lotteries and registration. Login using your CU Anschutz credentials.

North Star
An eLearning Ecosystem. Login with SSO, user and passwrod are CU Anschutz credentials
