Policy Title	Uniform Standard Policy
Policy Intent	
This policy makes explicit that this is a uniform standard for promotion and graduation for all students matriculating to the MD Program at the University of Colorado School of Medicine, and its branches.	
Policy Definitions	
None.	
Policy	
The University of Colorado School of Medicine, including its branches, has a single standard for the advancement, retention and graduation of medical students. The uniform standard is outlined in: • 3.7 Minimum Requirements for Advancement and Retention and • 3.8 Requirements for Graduation found in the "University of Colorado School of Medicine Policies and Procedures, MD Program" document (aka White Book). The URL to this document is: http://www.ucdenver.edu/academics/colleges/medicalschool/education/studentaffairs/studentresources/Documents/StudentHandbook.pdf	

Information Related to Policy Implementation	
Related Policy	
See the standards for promotion and graduation in sections 3.7 and 3.8 in the "University of Colorado School of Medicine Policies and Procedures, MD Program" document (aka White Book).	
Implementation Guidelines	
None.
