

Teaching in the Clinical Setting

FacDev in 5 KEY TAKEAWAYS

Watch the FacDev in 5 Video featuring Dr. Chris Hoyte, Professor and Vice Chair of Academic Affairs, Department of Emergency Medicine

KEY TAKEAWAYS

Efficient, impactful teaching tips for on the go.

1

Get a Commitment

Ask learners to commit early to a diagnosis or plan to boost engagement and responsibility in patient care.

2

Probe for Supporting Evidence

Ask learners to explain their reasoning and ruled-out options to surface teachable moments.

3

Teach General Rules

Focus on general principles rather than anecdotes to make teaching broadly applicable and memorable.

4

Reinforce What's Right

Identify specific behaviors the learner can repeat and emphasize the positive impact of these actions.

5

Correct Mistakes Thoughtfully

Address errors privately. Begin with self-assessment, then explore what went wrong, its impact, and how to prevent it
