

EPIC TRAINING OPTIONS

- <https://userweb.epic.com>
- Epic's Training Home
 - “Power User”: 1-2 hr courses including SlicerDicer and Reporting Workbench
 - Physician Builder Analytics: 3-day course on how to build individualized SlicerDicer, work bench reports and dashboards
 - Epic Galaxy (documents) and weLearning (videos)

The screenshot shows the Epic UserWeb Training Home interface. A red box highlights the 'Galaxy' link in the top navigation bar. Another red box highlights the 'Training Home' link in the top navigation bar. A red box highlights the 'Course Catalog / Train Tracks' link in the 'Training Resources' section. A red box highlights the 'Search Course Catalog' input field in the 'Epic COURSE CATALOG' section. Red arrows indicate the path from 'Galaxy' to 'Training Home', then to 'Course Catalog / Train Tracks', and finally to the 'Search Course Catalog' field.
