2115 N. Scranton St., Suite 1035
Aurora, CO 80045
Facility Direct: 303-724-8988

Parking:

Visitor Parking: Immediately North of BS3 is a large ground level Pay-To-Park lot.

Shipping Logistics:

- Prior to shipment, Send all shipping/tracking documents, including delivery/pick-up times and contact info to CSI@CUAnschutz.edu
- Transport/dispatch must contact CSI (303-724-8988) 1-2 hours prior to facility arrival.
- Due to limited storage space, no crates or shipping containers can remain on-site.
- A representative from your company is required to be on-site for receiving/loading of large industry equipment. **Please note:** BS3 has no dedicated dock/receiving personnel.

Loading Dock/Receiving:

- **CSI Receiving Doors:** Most deliveries can be accepted via double doors directly into CSI's Storage Room. **Please note:** this is ground level and will require a lift gate and pallet jack, if applicable.
- **BS3 Loading Dock:** located on the Southwest corner of BS3 just North off of E. 21st Ave., facing towards the parking structure (West). **Please note:** this dock has a hydraulic lift. However, the building does not have a pallet jack available for use.
- **FedEx/UPS Pickups:** prescheduled through the building, Monday – Friday.
