COVID-19: The Response

The campus is closed. Our DFM clinicians are working in over-drive.

COVID-19 has settled in and our ways of life and work have changed.

Check for the latest DFM COVID-19 Response Information on [the department intranet](#).

**** Note ** And this is IMPORTANT - You must be connected via VPN for the above link to work and you'll need to sign in with your University credentials. The rest of the links in this newsletter do not require a VPN connection to access.**

Images From The Front Lines

From virtual visits, to social media posts, to suiting up in the clinic - here are some shots of our DFM team in action during this health crisis. Thank you for your commitment to all of us!

DFM Makes The List!

Time to pat ourselves on the back. We've done it, again!

The US News & World Report Best of Rankings are out for 2020 and DFM is in the mix.

As a matter of fact, we're #7 in Family Medicine

programs in the entire country!

learning systems you can access to
develop your professional skills and
expertise.

These resources range from articles
and books to online courses and
videos. Some options also offer
opportunities for professional
certification.

Many of these are no-cost or low-cost
to you!

- **Skillsoft:** Online courses of professional interest, including required training, custom courses and books.
- **Linked In Learning** (formerly Lynda.com): Online courses with engaging content from industry-leading practitioners and expert instructors.
- **Coursera:** Self-paced massive open online courses (MOOCs) and specializations taught by CU faculty from all four campuses.
- **Franklin Covey:** In-person workshops facilitated by campus representatives.
