GIVING back.

A Gift From The Heart!

Dr. Jeff Cain has long been a valued member of the Department of Family Medicine family.

And, he just did something that promises to strengthen the foundation to carry the good work of the department well into the future.

Dr. Cain recently made a significant financial contribution to the A.F. Williams Family Foundation Endowment.

Masking Up At The DAWN Clinic

Sally Garcia, Executive Nurse Manager at the DAWN Clinic shows off the homemade masks donated by the Department of Family Medicine.

DAWN provides care to underserved populations in Aurora and the surrounding area.

Garcia says that she looks forward to providing patients and their families with the masks that were lovingly made by DFM volunteers.

Take The Next Step!

CU medical student Nikolai Harroun examines racism in America and what white Americans can and should do to move the needle and make a change.

Harroun's essay is featured in DFM's [Disrupting the Status Quo blog](#) in the Diversity and Health Equity section of the DFM website.
