CLINICAL OPPORTUNITIES

Lowry Clinic Shadowing

This is an opportunity for students to get additional exposure to seeing family medicine in an underserved primary care clinic with a unique population. No set time commitment, you are welcome to come for just a session to see what it's like or come more regularly. **The Lowry Family Health Center is a**

Denver Health clinic with a population of >50% immigrants and refugees from all over the world. Please contact **Alec Kerins** if you are interested in spending time with a provider at the clinic!

Sports Medicine Clinic

Check out this **link** for a calendar sign-up with upcoming sports events being covered by Primary Care Sports Doctors. We would love to have medical students and residents help cover the events and learn about Sports Medicine and

Family Medicine! After you have signed up, please contact the Attending who is covering the game to get additional details.

NETWORKING

Family Medicine Resident Mentoring Program

For students interested in resident and/or faculty mentors, this is an informal program with the hope of being mutually beneficial to all parties involved. The goal is to help med students have a better understanding of family physicians and to help students succeed whether they decide family medicine is the right specialty for them or not.

We ask that mentors and mentees meet at least once a semester. Please fill out the quick form below so that we can best pair you with a good fit. **If you are interested, sign up here.**

For more information, questions, or concerns, please contact **Cleveland Piggott, MD.**

Project C.U.R.E. Sip and Sort

Thursday May 16, 2019 6:00-8:00 p.m.

Donated medical products will be sorted, processed and prepared for international distribution to assist children, families, individuals and communities to over 130 countries.

Background: Since 1987, Project C.U.R.E. has been delivering life-saving medical supplies and equipment to

hospitals and clinics throughout the developing world. Today, Project C.U.R.E. is the world's largest distributor of donated medical relief, touching the lives of patients, families and children in more than 130 countries.

Invitation:

Please join us for our Sort & Sip event on Thursday, May 16th and help us sort, pack and prepare medical supplies for shipment to hospitals and clinics in need. Your involvement will have a direct impact in helping empower doctors and nurses with the tools they need to treat disease, deliver vaccines, perform life-changing surgeries and ensure safe childbirth. After the sorting is done there will be time to relax with residents and enjoy a sip of beer or wine or a variety of non-alcoholic beverages.
