"I am so happy to practice the full breadth of FM, including ambulatory care of all ages, obstetrics care, hospital rounds, and procedures. I am also committed to providing care for LGBTQ+ patients and fighting to eliminate health inequities for this vulnerable population. I have a passion for teaching and mentorship and love that I am constantly working with learners and helping to shape the next generation of physicians." - Dr. Julie Çelebi

NETWORKING

Looking for an MSA or Scholarly Project in Family Medicine?

Go to the Department of Family Medicine MSA Program webpage to fill out an interest form to schedule a meeting to get connected with potential mentors, or to find information for applying to the DFM Summer MSA Program.
