### COVID-19 Testing

- **Testing in place:**
  - 84.21% of practices have an ongoing testing strategy in place.

### Fellows

- **Fellows on COVID-19:**
  - Fellows are conducting virtual roundtables to share knowledge and best practices.
  - Fellows are providing a platform for practices to exchange ideas and solutions.

- **Fellows on Ongoing:**
  - Fellows are addressing ongoing challenges and supporting sustainable models.

### Follow Up

- Practices are encouraged to share their experiences and best practices with other fellows.

- Practices are invited to participate in virtual roundtables to share knowledge and best practices.

- Practices are encouraged to stay connected and informed through ongoing updates and resources.

- Practices are invited to provide feedback on the usefulness of the COVID-19 fellows program.
