

HOLIDAY SEASON 2019

## FROM OUR DIRECTOR

Happy Holidays, SNOCAP partners!

We hope that this holiday season is restful and life-giving to you and yours. Take some time to step away from the computer or office and dig into community and relationship with those around you.

We know that the holidays can often bring more stress and sadness than we'd hope, so please take care of yourself and those in your life. If you need help, reach out and find someone to talk with.

Looking forward to everything we have in store for the new year: new projects both big and small, an upcoming card study opportunity, an opportunity for us to reach out and connect about your practice demographics, and much more to come!

Thank you for your support and commitment to Family Medicine, research, and Colorado communities.

Wishing you well,

- Don, Mary, and the rest of the SNOCAP team
