

## The Minority & Allied Resident Council (MARC)

### The MARC Minority & Allied Resident Council

- We are a **community** of residents and fellows from CU School of Medicine and Denver Health
- Our goal is to **support** minority residents and foster **allyship** through the ups and downs of training
- The council facilitates **mentorship** from minority physicians within the School of Medicine and in the community
- We **collaborate with** CU School of Medicine student and faculty diversity groups
- The council organizes programming and advocacy events
