

The MARC: Minority & Allied Resident Council

- We are a **community** of residents and fellows from CU School of Medicine and Denver Health.
- Our goal is to **support** minority residents and foster **allyship** through the ups and downs of training.
- The council facilitates **mentorship** from minority physicians within the School of Medicine and in the community
- We collaborate with CU School of Medicine student and faculty diversity groups.
- Join our mailing list: <https://tinyurl.com/MARCgroupelist>
