

University of Colorado Anschutz Medical Campus**Department: Psychiatry****Job Title: Social Work Fellowship – Instructor/Fellow****Position #: – Requisition #:**

Job Summary: The Social Work Fellow is a unique, two-year, clinical training position designed to help MSW/MA graduates gain the skills and supervision necessary to apply for clinical licensure, while also providing needed mental health services within the Department of Psychiatry clinics. This position requires innovation, flexibility, and the ability to work across healthcare systems.

The Social Work Fellow will provide direct social work services under the supervision of a licensed mental health professional. These services may include individual, couples, family, or group therapy; case management; research support; or community training/advocacy. While providing these services, the Social Work Fellow will be participating in a training program to build their skills around diagnosis, evidence-based practice models, and integrated health models. This position is a two-year training program, with employment not guaranteed beyond the training period.

Key Responsibilities:

- The duties and responsibilities of the position include, but are not limited to:
- Provide direct social work services. Clinical duties include:
- Conduct intake assessments of new patients to determine diagnosis and treatment
- Develop treatment plans including provision of care and referral to additional appropriate resources
- Provide individual, family, and group therapy to children, adolescents, and adult under the supervision of a licensed clinician
- Provide clinical documentation/billing in the Electronic Medical Records system
- Identify and support patient needs through case management and participate in continuity of care planning
- Collaborate with other members of the Department of Psychiatry to provide team-based care
- Engage in weekly supervision (individual and/or group)
- Participate in didactics, trainings, and other professional development activities as deemed appropriate by supervisor or training program manager
- Attend all on-site clinical/staff meetings
- Build relationships with other departments and campuses
- Identify appropriate resources within the community for referral and collaboration
- Support the MSW Internship program through shared clinical activities

Work Location: Onsite - this role is expected to work onsite and is located in Aurora, CO.

**Equal Employment
Opportunity
Statement:**

The University of Colorado (CU) is an Equal Opportunity Employer and complies with all applicable federal, state, and local laws governing non-discrimination in employment. We are committed to creating a workplace where all individuals are treated with respect and dignity, and we encourage individuals from all backgrounds to apply.

Qualifications:

Minimum Qualifications:

Applicants must meet minimum qualifications at the time of hire.

This is a trainee position and will be categorized as Instructor/Fellow and qualifications as indicated below:

Social Work Instructor/Fellow

- Education: Master of Social Work from an accredited MSW program or a similar clinical Master's Degree (i.e. Master's in Counseling)
- Experience: Completion of a Master's Level Internship with experience in providing direct therapeutic services
- Special Skills: The Social Work Fellow must have an LSW or a Social Work Permit in the State of Colorado

Preferred Qualifications:

- Clinical skill is required for conducting brief and targeted assessments in integrated care settings to provide short-term psychotherapy interventions, health and behavior change and triage for appropriate level of care.

Knowledge, Skills and Abilities:

- Demonstrated ability to work effectively with a diverse population of patients, faculty, and staff
- Ability to work effectively as part of a team as well as independently
- Capacity for flexibility and adaptability in different work situations.
- Strong technology skills including use of an electronic medical record system and video conferencing programs
