Employment

UNIVERSITY OF COLORADO ANSCHUTZ SCHOOL OF MEDICINE

Department of Psychiatry

medschool.cuanschutz.edu/psychiatry

Behavioral Health is a major focus in the State of Colorado and the Department of Psychiatry is on the forefront of developing systemic approaches to comprehensive prevention and care.

The Department believes that its core mission, *Brain health for all. For life.* can be achieved through clinical care, training, research, and policy efforts. In collaboration with University of Colorado, University of Colorado Hospital and Children's Hospital Colorado, and as a result of major institutional investments, the department is engaged in ambitious strategic planning and growth efforts.

Benefits

cu.edu/employee-services/benefits-wellness
