

Free Virtual Support Group

FOR SPANISH-SPEAKING CANCER PATIENTS AND THEIR FAMILIES

The support group offers a unique space where participants can feel comfortable to express their feelings.

It is led by a bilingual therapist and a coordinator from the Colorado Cancer Coalition's Latino Cancer Task Force.

Free mental health therapy sessions and financial help for qualifying medical costs are available.

Sessions take place on the last Monday of every month at 5:30 p.m. via Zoom

To register, visit:
