

# ANAT 6910, Teaching Practicum Course Request Form

ANAT 6910, Teaching Practicum, is a required course in the MSMHA curriculum. This course requires instructor and academic advisor permission prior to student registration. Expectations for the student's role and responsibilities should be clearly articulated prior to enrollment in the Practicum.

#### Instructions:

- The Student and the instructor/faculty Practicum sponsor review the ANAT 6910 Teaching Practicum Guidelines and Information below.
- 2. Obtain the signatures from the instructor/faculty Practicum sponsor and your faculty academic advisor.
- 3. Once all signatures are secured, submit the form to the MSMHA Program Administrator to receive a permission number in order to register for the course.
- 4. The student is responsible for signing up for the class prior to the posted add/drop deadline. **Submission of this** form to the Program administrator does not enroll the student in the course.

It is the student's responsibility to make the request for the Teaching Practicum prior to the start of the semester. As several signatures are required for the form to be processed, it is highly recommended that this process be started early in the registration period.
