Internal Medicine

Physician Opportunity

Stormont Vail Health is a premier regional, physician-led health system with unique career opportunities for Internal Medicine physicians in our outpatient clinic setting. We're committed to ensuring our providers have fulfilling clinical work, competitive salary and benefits, and an excellent work-life balance. We have openings at our locations in Topeka and Junction City with rural locations. We are located in a great community with low cost of living, plenty of recreational activities including beautiful lakes, hiking trails, and unique restaurants.

Stormont Vail is a tertiary care center, level two trauma center and recognized as a Magnet™ organization. Stormont Vail Health is in its tenth-year as a member of the **Mayo Clinic Care Network**. We also partner with **Children's Mercy** through a local Topeka office on our main campus. As a medium-sized integrated delivery system in Topeka, Kansas, we serve a 13-county region in Northeast Kansas. The organization employs approximately 550 providers, including 284 physicians in a multi-specialty setting.

Northeast Kansas also offers several exciting recreational activities to engage in when you're not in the clinic. Explore beautiful lakes, hiking trails, crafty arts districts as well as unique dining and shopping experiences all located within an hours drive of an international or regional airport. If you are looking for an environment that provides the work-life balance to have a fulfilling career as well as satisfaction in your personal life, inquire about joining the Stormont Vail team.
