Wellbeing Wednesdays – a weekly email to highlight resources that exist within our system, to illuminate the national conversation on burnout and to discuss **systemic changes and solutions** that the Department of Medicine is working on to **improve professional fulfilment**.

If you are receiving this it is because you are a faculty member of the Department of Medicine.

If you think you should not be receiving this, contact Natalie De Leary at natalie.deleary@ucdenver.edu (or 303-724-1785) with your reason to unsubscribe.
