

Mercy Hospital **Oklahoma City** is actively seeking BC/BE **Hospitalists** and/or BC/BE dedicated **Nocturnists** to join our team in Oklahoma City. Work alongside an expert team of care professionals who genuinely care for one another and share your passion for providing compassionate, patient-centered care.

[Mercy Hospital Oklahoma City:](#)

- Growth positions - Mercy prioritizes manageable censuses for hospitalists allowing for quality work, shorter lengths of stay and better discharge efficiency.
- Hospitalists work 7-on/7-off shifts:
 - Days: 7 AM – 7 PM (team of rounders and 1 admitter - admitting shift rotates)
 - Swing: 12 PM - 12 AM (1 swing shift rotates as needed)
 - Nights: 7 PM – 7 AM (2 designated physicians and 1 APP)
- 380-bed hospital, leader in the treatment of cancer and stroke, breast imaging and robotic surgery
- Work alongside board certified physicians with a variety of specialty consults available
- Admit for most specialties
- 24/7 Intensivist and Neurohospitalist Coverage
- 24/7 Surgicalists available
- EPIC EMR
- IBM Watson Top 100 Hospital (six times)
- Seamless transition of care from one team to the next – focused on quality patient care, reduced lengths of stay and comprehensive care plan

This Position Offers:

- Integrated health system with a shift-based compensation model and quarterly quality bonus available
- Annual bonus potential on top of quarterly bonus
- Significant commencement bonus and resident/fellow stipends available
- Opportunity for outreach shifts/moonlighting within Mercy
- Comprehensive, day one benefits including health, dental, vision and CME
- Retirement plans available with employer matching options
- Relocation assistance and professional liability coverage provided
- As a not-for-profit system, Mercy qualifies for Public Service Loan Forgiveness (PSLF)

Mercy Internal Medicine is currently seeking a board certified or board eligible **Academic Hospitalist** to join our practice in **St. Louis, Missouri**. Our Mercy Internal Medicine Residency team consists of 7 physicians and an engaged support staff focused on quality patient care.

Qualified candidates must be BC/BE in Internal Medicine. POCUS and procedure skills are supported but not required.

Mercy Internal Medicine Residency Program:

- A 979-bed, fully accredited teaching hospital
- The only Level 1 Trauma Center in St. Louis County
- 80,000 adult emergency visits annually
- A nine-level, on-campus Heart Hospital with 96 private patient rooms
- System-wide Epic EMR
- Leapfrog Grade A rating for patient safety

This Position Offers:

- Competitive compensation model
- Comprehensive, day one benefits including health, dental, vision and CME
- Retirement plans available with employer contribution and matching options
- Relocation package and professional liability coverage provided
- As a not-for-profit system, Mercy qualifies for Public Service Loan Forgiveness (PSLF)
- This location is eligible for H-1B sponsorship
- 100% dedicated service time on one of the resident-assigned inpatient teams
- Be appointed as core faculty and will enjoy protected teaching time for faculty duties.
- Develop academic activities including presenting at noon conference and Grand Rounds
- Participate in resident curriculum and faculty development and provide mentorship to residents
- Have an attractive 7 on/7 off clinical schedule with some teaching duties on off weeks
- Be directly involved with interviewing and recruiting new residents
- Earn a competitive salary with a comprehensive benefit package including a generous CME allowance
- Qualification for the Public Service Loan Forgiveness program.
- Have an opportunity to:
 - Perform research in internal medicine and medical education
 - Be involved in the Internal Medicine Simulation and OSCE programs
 - Contribute to [Pearlys4Peers.com](https://www.pearlys4peers.com), an online educational open-access resource dedicated to clinicians and house staff in internal medicine
 - Be involved in MS3/MS4 curriculum development and implementation
