MEDICAL GROUP

The Hawai'i Pacific Health Medical Group is comprised of over 700 employed physicians and advanced practice providers. Together with our four medical centers (Kapi'olani, Pali Momi, Straub, and Wilcox) and more than 50 convenient clinic locations statewide, our nonprofit health system is one of the state's largest health care providers. Our network of physicians and specialists work together to provide a distinctive and effective model of coordinated care for maintaining the health and wellness of our patients.

The Hawaii Pacific Health Medical Group is seeking a full-time board certified/board eligible Internal Medicine Nocturnist to be based at Wilcox Medical Center on the island of Kaua'i.

Ideal candidate is someone who is comfortable covering our 72 bed community hospital, including 7-bed ICU and can perform intubation and insert central lines.

7 Hospitalists currently on staff.

14 shifts per month on average. 7 on 7 off.

Nocturnal shift: 6:30 pm-7am

Combine the advantages of an integrated group practice with the cultural diversity, superb lifestyle, excellent climate and year-round activities of one of the happiest and healthiest places in the country!
