With an average of 287 Days of Sunshine, outdoor activities abound throughout the region. Located in the high desert at the base of the Sacramento Mountains, this community is the perfect location to “set up camp” to enjoy all the incredible attractions the area has to offer. Only 15 minutes away one of the world's great natural wonders rises from the desert, White Sands National Monument. The glistening white sands and wave like dunes of white gypsum cover 275 square miles of the desert and are an incredible sight to see. Just past Holloman Air Force Base, on highway 70 west, start your White Sands tour at the Spanish Pueblo adobe architecture visitors center, constructed on site between 1936 and 1939. Then enjoy the hiking, biking, camping, picnicking and sledding or the picturesque sunset strolls and full moon night events at this breathtaking location.

There are numerous wineries and nut farms where you can enjoy delicious wine and nut tastings and beautiful views of the Sacramento Mountains. If you would like to commune with nature even more, stop by the oldest zoo in the southwest, Alameda Park Zoo. Also, there are over 100 trails that range in

use from hiking, pack/saddle, mountain biking, motorcycle and ATV riding. In the winter months two of the southernmost ski resorts in the US -are less than an hour away. And because of our beautiful weather, golf is a year-round sport at Desert Lakes Golf Course and many other courses a short distance away.
