Program to Advance Gender Equity (PAGE)

2023

MID-CAREER FACULTY WOMEN'S LEADERSHIP PROGRAM

Program Objectives

- Develop rich peer-support network
- Augment leadership skill sets and capacities in parallel with PAGE initiatives
- Mitigate barriers and bias for women in leadership positions
- Foster DOM culture change efforts

Target Audience

- Department of Medicine faculty
- Mid-career, any promotion track, any degree
- In current leadership role or aspiring to a leadership role

Schedule

- 9-month program in 2023
 - Five, 1/2-day, in person workshops:
Wednesdays, 8:30 a.m.–12:30 p.m.
April 5 | May 3 | Sept. 13 | Oct. 18 | Dec. 13
 - Workshops led by local and national experts
 - 360° reviews

APPLY BY JAN. 23, 2023 ➤

We welcome applications from any mid-career Department of Medicine faculty seeking leadership training including, but not limited to, all who identify as women, trans, gender non-conforming, non-binary or genderqueer.
