

Department of Neurosurgery
UNIVERSITY OF COLORADO ANSCHUTZ MEDICAL CAMPUS

On a mission:

Colorado's Leader in Neuroscience Innovation and Treatment

How can you help?

There are many exciting areas of research and education within the Department of Neurosurgery at CU. These are not funded through patient fees, hospital fees or physician fees. Every dollar spent on research and innovation must be raised – either through government grants, community funds, industry support or philanthropic dollars from grateful patients and other people in the community.

ANY amount can be contributed to any of the fund numbers and programs below. Every dollar counts and we are SO appreciative of your generosity.

NEW funding programs require a minimum \$10,000 donation to become their own funding program. If this is something you're interested in starting, please contact one of the people listed below.

Directions:

- 1) Please **COPY** the fund number where you would like to give.
- 2) Go to the site listed below (giving.cu.edu).
- 3) Click on “search funds” and then on the next page, put in your fund number under “search.”

<https://giving.cu.edu/>

In addition, checks of any amount can be sent with a note in the memo about the fund to be supported, and mailed to:

University of Colorado Foundation
Office of Advancement
Attn: Marti Laule
Mail Stop AO65
13001 E. 17th Place, WG112
Aurora, CO 80045

For additional information, to discuss you own ideas, or to find out more - please contact:

BRAIN TUMOR & NEURO ONCOLOGY RESEARCH PROGRAMS:

Program: Neurosurgery/Oncology Research

Fund Number: 221101

Purpose: To provide operating support for the neurosurgical research laboratory and neuro-oncology research (**including brain tumor research**) at the direction of Dr. Kevin Lillehei at the University of Colorado Anschutz Medical Campus. ***All funds for brain tumor tissue bank research go here!***

Managed by: Kevin Lillehei, MD, Department Chair & Liz Seelenfreund, Director of Finance & Administration

Program: Meningioma Mommas Research

Fund Number: 0223181

Purpose: To provide support for research of HDAC inhibitors for the treatment of meningiomas at the University of Anschutz Medical Campus.

Managed by: Michael Graner, PhD, Research Professor & Director of CU Neurosurgery Neural Tissue Bank & Liz Seelenfreund, Director of Finance & Administration

Program: Brain Immunology Research Fund

Fund Number: 222176

Purpose: To provide support for the brain immunology research of Drs. Waziri and Davies at the University of Colorado Anschutz Medical Campus.

Managed by: Dr. Kevin Lillehei, Department Chair & Dr. Michael Graner, Research Professor & Director of CU Neurosurgery Neural Tissue Bank

FUNCTIONAL NEUROSURGERY FUNDING (Research for Surgical Innovations in Parkinson's Disease, Epilepsy, Dystonia and more)

Program: Functional Neurosurgery Program

Fund Number: 222277

Purpose: To support functional neurosurgical research at the University of Colorado Anschutz Medical Campus including travel to scientific meetings and preparation of manuscripts.

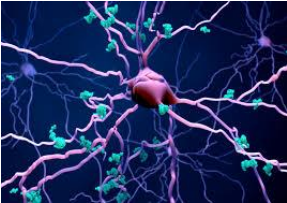

Managed by: Dr. Kevin Lillehei, Department Chair & Dr. Steve Ojemann, Director of Functional Neurosurgery Division

Program: Center for Neuromodulation (same fund as functional neurosurgery above)

Fund Number: 0222777

Purpose: To support research in the areas of Neuromodulation and Neural Restoration at the University of Colorado Anschutz Medical Campus.

Managed by: Liz Seelenfreund, Director of Finance & Administration

STROKE, ANEURISM & Neurovascular Research Funding

Program: Foreman Family Research Fund

Fund Number: 0223133

Purpose: To provide support for research in the Department of Neurosurgery at the University of Colorado Anschutz Medical Campus. Research will be focused on developing a comprehensive system (ESCAPE) for the management of brain bleeds.

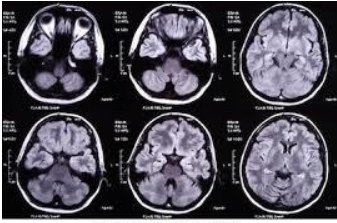

Managed by: Josh Seinfeld, MD, Interventional Neurosurgeon & Researcher & Liz Seelenfreund, Director of Finance & Administration

Program: Stem Cell & Gene Therapy Research

Fund Number: 0222912

Purpose: To support research in stem cell transplant and gene therapy in the Regenerative Neurobiology Lab at the University of Colorado Anschutz Medical Campus.

Managed by: D. Ryan Ormond, MD, Neurosurgeon & Researcher & Liz Seelenfreund, Director of Finance & Administration

RADIOLOGY & IMAGING Studies & Innovation

Program: Mannetti 3D Imaging Printer Fund

Fund Number: 0222672

Purpose: To purchase the 3D imaging printer/supplies/ongoing support for maintenance and to provide salary support for technician in the Department of Neurosurgery at the University of Colorado Anschutz Medical Campus.

Managed by: Dr. Michael Finn, Neurosurgeon & Liz Seelenfreund, Director of Finance & Administration

EDUCATION FUNDING (For residents, staff & Physician continuing education)

Program: Neurosurgery Resident Education

Fund Number: 221955

Purpose: To provide support for resident education in the Department of Neurosurgery at the University of Colorado Anschutz Medical Campus.

Managed by: Dr. Kevin Lillehei, Department Chair & Liz Seelenfreund, Director of Finance & Administration

Program: Foreman Family Lectureship Fund

Fund Number: 0223134

Purpose: To provide support for a lectureship series in the Department of Neurosurgery at the University of Colorado Anschutz Medical Campus. Lectures will be focused on work/life balance and leadership development.

Managed by: Josh Seinfeld, MD, Interventional Neurosurgeon & Researcher & Liz Seelenfreund, Director of Finance & Administration

Program: VanderArk Lectureship Fund

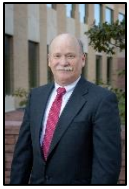

Fund Number: 0230389

Gary VanderArk, MD
Retired Neurosurgeon &
CU Faculty Member

Purpose: To provide support for a lectureship series in the Department of Neurosurgery in the School of Medicine at the University of Colorado Anschutz Medical Campus.

Managed by: Kevin Lillehei, MD, Chair of the Department & Liz Seelenfreund, Director of Finance & Administration

ENDOWED CHAIR & FACULTY FUNDING

Kevin Lillehei, MD
Ogsbury/Kindt Endowed **Neurosurgery Chair**

Program: Ogsbury/Kindt Neurosurgery Chair Endowment Fund

Fund Number: 0230133

Purpose: To fund an endowed Chair for the Department of Neurosurgery in the School of Medicine.

Managed by: Liz Seelenfreund, Director of Finance & Administration

OTHER NEUROSURGERY PROJECT FUNDING

Program: Schizophrenia & Mental Illness Research
Fund

Fund Number: 0222913

Purpose: To support research into novel treatments of schizophrenia and mental illness at the University of Colorado Anschutz Medical Campus.

Managed by: Judith Gault, PhD, Researcher & Liz Seelenfreund, Director of Finance & Administration
